PREFACE

Adoption

Senate Bill No. 1, adopting the Montana Code Annotated (cited "MCA"), was passed by the 1979 Legislature and became effective January 10, 1979. That bill became Chapter 1, Laws of 1979. The provisions of law relating to recodification are found in Title 1, chapter 11, MCA.

Codification

The MCA is a compilation of existing general and permanent law, including the acts of the 53rd Legislature of 1993 in regular session. Appropriation acts, resolutions, and laws temporary or special in character, such as repealing, validating, severability, or effective date clauses, are not codified. A list of R.C.M. 1947 sections not codified may be found in the *Table of Corresponding Code Sections*, R.C.M. 1947 to MCA, contained in Vol. 1 of the annotations, which provides the disposition of all R.C.M. 1947 sections.

Arrangement

The Montana Code Annotated is arranged topically. This feature distinguishes the MCA from the 1947 code, in which the titles were arranged alphabetically. The user of the MCA will find titles that relate closely to one another logically and topically grouped in the code. Continuous rearrangement designed to maintain an orderly and logical arrangement is a permanent feature of the code under authority of section 1-11-204(3)(b), MCA.

Numbering System

The code uses a three-element numbering system. The number to the far left designates the title number, the number between the hyphens designates the chapter number, and the number to the right designates the part and section number. Thus 1-2-305 indicates Title 1, chapter 2, part 3, section 5 (cited "section 1-2-305, MCA"). Numbering is sequential, but numbers within chapters and parts and between titles have been skipped to leave room for future expansion.

Editorial Changes

During the continuing recodification process, the Council staff screens statutes for obsolescence, conflicts, unconstitutionality, incorrect grammar, spelling, capitalization, punctuation, numbering, and outlining.

Changes in style that can be made in the text without changing the substance of the law are incorporated by the staff during codification. Errors, inconsistencies, and unconstitutional statutes that were discovered have been corrected by bills introduced in the 1977, 1979, 1981, 1983, 1985, 1987, 1989, 1991, and 1993 legislative sessions at the request of the Code Commissioner.

During the initial recodification process, nonsubstantive changes were made in the following areas:

(1) *Punctuation*. Being heavily laden with commas, the 1947 code did not conform with the more modern "open" style of punctuation that uses commas sparingly. The modern style allowed deletion of an average of five commas per

section and more than 125,000 commas from the new code with no change in meaning, but with clarity enhanced.

(2) *Spelling*. The staff corrected obvious misspellings and updated archaic spellings with preferred spelling according to Webster's New World Dictionary.

(3) *Grammatical Construction*. There were three types of corrections that were made often under this category: making a pronoun agree with its antecedent in number, gender, and person; changing "nor" to "or"; and changing a verb to agree in number with the subject of a sentence.

(4) *Internal Numbering*. A uniform system of numbering internal paragraphs in a section was used: (1)(2)(3), (a)(b)(c), (i)(ii)(iii), (A)(B)(C). Thus, if the R.C.M. section began with "(a)(b)(c)", it was changed to "(1)(2)(3)".

(5) "*This Act*". The term "this act" was used thousands of times in the R.C.M. During recodification, "act" was changed wherever possible to a more precise term, such as "title", "chapter", "part", or "section". The original act was studied to determine exactly to which statutes the words "this act" applied, and the appropriate references were then substituted.

(6) *Effective Date*. The calendar date was inserted whenever possible for expressions such as "the effective date of this act", "passage and approval", or "hereafter".

(7) *Changes or Insertions Because of Rearrangement*. Language was inserted or changed whenever necessitated by rearrangement.

(8) *Redundancy*. Redundant words were eliminated.

(9) *Obsolete or Inaccurate References to Offices or Agencies*. There were many code sections needing changes because later acts affected names and terminology. For instance, the Executive Reorganization Act of 1971 abolished or renamed hundreds of offices and agencies. The recodification staff members searched the code for references to abolished or renamed offices and agencies. They also studied any amendments made between 1971 and 1977 that made further changes in the Executive Branch. After careful study to determine the law, the language was changed during the recodification process to reflect the current legal status of all affected offices or agencies.

Code Commissioner Reports

All changes, other than punctuation, capitalization, and spelling, made by the staff during the initial recodification are reported in the *Official Report of the Montana Code Commissioner* contained in the unnumbered volume of the 1978 MCA (red edition). Following each legislative session, all such changes made since the last report are reported and published in annotations, Vol. 1 (see section 1-11-204(3)(c), MCA).

Effect of Changes

No presumption of legislative construction is to be drawn from the MCA code arrangement (section 1-11-103, MCA). In case of inconsistencies resulting from omissions or other errors in codification, the version of the official enrolled bill on file with the Secretary of State will prevail. Codification does not change the law, and the effect of each statute is the same as when originally enacted. Because the Code Commissioner has no legislative power, there can be no change in the law without legislative sanction. The function of codification is to organize law, not to change law.

Contents

(1) *Constitution and Rules of Court*. The code as adopted by Chapter 1, Laws of 1979, consists only of statute text and histories. The 1972 Montana Constitution, the Montana Rules of Civil Procedure, the Montana Rules of Appellate Procedure, the Montana Rules of Evidence, the Montana Uniform District Court Rules, and the Montana Justice and City Court Rules of Civil Procedure are printed with the code for the convenience of the user.

(2) *Compiler's Comments*. Compiler's comments related to 1995 amendments and to certain significant earlier changes are printed with the code. Amendment notes contain the effective date of the amendment if the effective date is other than the general effective date of October 1 (see section 1-2-201, MCA). Earlier amendment notes have been transferred to the annotations. Compiler's comments related to other items of permanent significance are contained in the annotations (see the preface in Vol. 1 of the annotations).

(3) *Histories*. The user is cautioned to note that the reported history of each section in the MCA brought forward from the former code is the same history of the section as it appeared in the old code. When an R.C.M. section was split into several MCA sections, the history may be confusing or even misleading. To redo all histories to have them coincide exactly with MCA sections would have been nearly impossible. Legislative histories begin with the Bannack Statutes of 1864-65. References to the California Code and the Field Code of New York are also included since those codes are the source of Montana's 1892 Civil Code.

Legislative action taken since the 1979 recodification has been added to the end of the history.

Part 1

General Provisions

1-2-101. Role of the judge — preference to construction giving each provision meaning. In the construction of a statute, the office of the judge is simply to ascertain and declare what is in terms or in substance contained therein, not to insert what has been omitted or to omit what has been inserted. Where there are several provisions or particulars, such a construction is, if possible, to be adopted as will give effect to all.

1-2-102. Intention of the legislature — particular and general provisions. In the construction of a statute, the intention of the legislature is to be pursued if possible. When a general and particular provision are inconsistent, the latter is paramount to the former, so a particular intent will control a general one that is inconsistent with it.

1-2-103. Statutes in derogation of the common law — liberal construction. The rule of the common law that statutes in derogation thereof are to be strictly construed has no application to the statutes of the state of Montana. The statutes establish the law of this state respecting the subjects to which they relate, and their provisions and all proceedings under them are to be liberally construed with a view to effect their objects and to promote justice.

1-2-104. Preference to construction favoring natural right. When a statute is equally susceptible of two interpretations, one in favor of natural right and the other against it, the former is to be adopted.

1-2-105. General definitional rules — verb tense, gender, and number. The following rules apply in this code:

(1) The present tense includes the future as well as the present.

(2) Words used in the masculine gender include the feminine and neuter.

(3) The singular includes the plural and the plural the singular.

1-2-106. Construction of words and phrases. Words and phrases used in the statutes of Montana are construed according to the context and the approved usage of the language, but technical words and phrases and such others as have acquired a peculiar and appropriate meaning in law or are defined in chapter 1, part 2, as amended, are to be construed according to such peculiar and appropriate meaning or definition.

1-2-108. Reference to other titles, chapters, parts, sections, or subsections — subsequent amendments. (1) A statute which refers to a title, chapter, part, section, or subsection number without further identification or attribution is presumed, unless the context clearly indicates otherwise, to refer to a title, chapter, part, section, or subsection of the Montana Code Annotated.

(2) A specific or implied reference to a title, chapter, part, section, or subsection of the Montana Code Annotated is presumed to be a reference to that title, chapter, part, section, or subsection as it may be amended or changed from time to time. This presumption may be overcome only by a clear showing that a subsequent amendment or change in the title, chapter, part, section, or subsection is inconsistent with the continued purpose or meaning of the section referring to it.

(3) The presumption contained in subsection (2) applies retroactively as well as prospectively to any reference to a title, chapter, part, section, or subsection of the Montana Code Annotated, regardless of when the reference was created.

1-2-112. Statutes imposing new local government duties. (1) Any law enacted by the legislature that requires a local government unit to perform an activity or provide a service or facility that requires the direct expenditure of additional funds must provide a specific means to finance the activity, service, or facility other than mill levies or the all-purpose mill levy. Any law that fails to provide a specific means to finance any activity, service, or facility is not effective until specific means of financing are provided by the legislature from state or federal funds.

(2) The legislature may fulfill the requirements of this section by providing for an increase in the existing authorized mill levies, the all-purpose mill levy, special mill levies, or the remission of money by the state to local governments. However, an increase in the existing authorized mill levies, the all-purpose mill levy, or any special mill levy must provide an amount necessary to finance the additional costs, and if financing is provided by remission of funds by the state, the remission must bear a reasonable relationship to the actual cost of performing the activity or providing the service or facility.

(3) Subsequent legislation may not be considered to supersede or modify any provision of this section, whether by implication or otherwise, except to the extent that the legislation does so expressly.

(4) This section does not apply to any law under which the required expenditure of additional local funds is an insubstantial amount that can be readily absorbed into the budget of an existing program. A required expenditure of the equivalent of approximately 0.1 mill or less levied on taxable property of the local government unit may be considered an insubstantial amount.

1-2-113. Statutes imposing new duties on a school district to provide means of financing. (1) Any law enacted by the legislature that requires a school district to perform an activity or provide a service or facility and that will require the direct expenditure of additional funds must provide a specific means to finance the activity, service, or facility other than the existing property tax mill levy. Any law that fails to provide a specific means to finance the service or facility is not effective until a specific means of financing meeting the requirements of subsection (2) is provided by the legislature.

(2) Financing must be by means of a remission of money by the state for the purpose of funding the activity, service, or facility. Financing must bear a reasonable relationship to the actual cost of performing the activity or providing the service or facility.

(3) Legislation passed and approved may not supersede or modify any provision of this section, except to the extent that the legislation expressly does so.

(4) This section does not apply to any law under which the required expenditure of additional funds by the board of trustees is an insubstantial amount that can be readily absorbed into the budget of an existing program.

(2) A state agency may not demand, bill, request, or otherwise require a local government to take any of the following actions or make the provision of a service to a local government that is required by state law to be provided to that government contingent on the local government taking any of the following actions:

(a) pay for all or part of the administrative costs of a program, activity, or undertaking required by state law to be carried out primarily by a state agency;

(b) pay for costs of computer hardware or software used in the operation of a state program, activity, or undertaking or pay for the application of either hardware or software in a state program;

(c) pay for forms required to be completed either by a local government or by third persons through a local government office and used by or filed with a state agency; or

(d) pay for the filing in a state office of forms required by state law to be completed by a local government.

(3) (a) A local government may refuse to pay for services billed or charged to it by a state agency in violation of this section. Upon refusal by the local government, the state agency may send to the local government a written notice of the program or activity for which the local government is billed, a detailed statement of the amount of the bill or charge, and a citation to the legal authority requiring the local government to pay the bill or charge.

(b) Within 30 days of receipt of the notice required by this subsection (3), the local government shall pay the bill or charge or request a hearing before the state agency. Upon request, the state agency shall provide a hearing. If a local government fails to pay the bill or charge and fails to request a hearing, the state agency may initiate a contested case proceeding. Proceedings authorized by this subsection must be held in accordance with the provisions of the Montana Administrative Procedure Act governing contested cases. A decision of the state agency following opportunity for a hearing may be appealed to the district court as provided in 2-4-702.

(4) The remedy provided in subsection (3) is exclusive of any other remedy provided in law for a state agency claiming a right to recover an administrative cost from a local government and is exclusive of any other remedy provided in law for a local government refusing to pay a bill or charge of a state agency.

(5) This section does not apply to services provided by a state agency pursuant to a written or oral contract.

1-4-102. Consideration of circumstances surrounding execution. For the proper construction of an instrument, the circumstances under which it was made, including the situation of the subject of the instrument and of the parties to it, may also be shown so that the judge be placed in the position of those whose language he is to interpret.

(a) a notary public of that jurisdiction;

(b) a judge, clerk, or deputy clerk of a court of that jurisdiction; or

(c) any other person authorized by the law of that jurisdiction to perform notarial acts.

(4) The signature and indicated title of an officer listed in subsection (1)(a) or (1)(b) conclusively establish the authority of a holder of that title to perform a notarial act.

History: En. Sec. 6, Ch. 192, L. 1993.

1-5-607. Notarial acts under federal authority. (1) A notarial act has the same effect under the law of this state as if performed by a notarial officer of this state if it is performed anywhere by any of the following persons under authority granted by the law of the United States:

(b) a judge, clerk, or deputy clerk of a court of record; or

(c) any other person authorized by the law of that jurisdiction to perform notarial acts.

(2) An "apostille" in the form prescribed by the Hague Convention of October 5, 1961, conclusively establishes that the signature of the notarial officer is genuine and that the officer holds the indicated office.

(3) A certificate by a foreign service or consular officer of the United States stationed in the nation under the jurisdiction of which the notarial act was performed or a certificate by a foreign service or consular officer of that nation stationed in the United States conclusively establishes any matter relating to the authenticity or validity of the notarial act set forth in the certificate.

(4) An official stamp or seal of the person performing the notarial act is prima facie evidence that the signature is genuine and that the person holds the indicated title.

(5) An official stamp or seal of an officer listed in subsection (1)(a) or (1)(b) is prima facie evidence that a person with the indicated title has authority to perform notarial acts.

(b) is in a form otherwise prescribed by the law of this state;

(c) is in a form prescribed by the laws or regulations applicable in the place in which the notarial act was performed; or

Part 1
General Provisions

1-11-101. Definitions. As used in this chapter, the following definitions apply:

(1) "Code" or "codes" means the Revised Codes of Montana, 1947, the pocket supplements thereto, and the replacement volumes.

(2) "Recodify" means to compile, arrange, rearrange, and prepare for publication. It includes, without changing the meaning, effect, or intent of any law:

(a) correcting or changing punctuation, capitalization, spelling, grammatical construction, and numbering as required by uniform literary and bill drafting practice;

(b) substituting the appropriate new code division reference for reference to a section of, to a part of, or to an entire "act";

(c) substituting calendar date for "effective date", "hereafter", and similar terms;

(d) creating new titles, chapters, parts, sections, or other divisions of the code;

(e) changing or inserting language made necessary because of rearrangement;

(f) eliminating redundant words;

(g) when given direction or authority by another statute, correcting inaccurate or obsolete references to:

(i) titles of officers or agencies, such as those changed by executive reorganization statutes;

(ii) other code sections, such as those that have been repealed or repealed and replaced;

(h) changing inaccurate terminology to comply with statutory definitions or short form amendments, such as those found in 1-1-202(7);

1995 Amendment: Chapter 292 at end of (2)(h) deleted "or 3-11-101(2)"; and made minor changes in style.

1-11-102. Name — citation. The recodified laws shall be known as the "Montana Code Annotated" and may be cited as "MCA".

History: En. 12-504 by Sec. 4, Ch. 419, L. 1975; R.C.M. 1947, 12-504; amd. Sec. 10, Ch. 119, L. 1979.

1-11-103. Effect of Montana Code Annotated — official version. (1) The Montana Code Annotated is a reenactment of the Revised Codes of Montana, 1947, and the supplements thereto.

(2) The enactment of the Montana Code Annotated may not:

(a) revive a law repealed or superseded before the effective date of the Montana Code Annotated;

(b) affect an act done, right accrued, or obligation incurred or imposed by law prior to the effective date of the Montana Code Annotated;

(c) affect any action, suit, or proceeding pending on the effective date of the Montana Code Annotated;

(d) repeal statutes of a nongeneral, nonpermanent nature, such as severability, construction, validating, repealing, or similar statutes, omitted from the Montana Code Annotated.

(3) The Montana Code Annotated must be given effect as a continuation of the Revised Codes of Montana and not as a new enactment. A defect in title of any act set out in prior laws and reenacted by the Montana Code Annotated is cured by the enactment of the Montana Code Annotated.

(4) No implication or presumption of legislative construction is to be drawn from the classification or arrangement of the Montana Code Annotated.

(5) Unless specifically and expressly adopted as part of the law by the legislature, annotations, code commissioner notes, catchlines, or other editorial material included in the Montana Code Annotated may not be construed as part of the legislative text but are only for the purpose of convenience, orderly arrangement, and information.

(6) After enactment, the Montana Code Annotated, including all subsequent replacement volumes, is prima facie the official laws of Montana. In case of any inconsistency in meaning arising through omission or otherwise between the provisions of the Montana Code Annotated and the corresponding

portion of the official enrolled bill on file with the secretary of state, effect must be given to the official enrolled bill.

(7) The Montana Code Annotated, prepared in accordance with part 3, is the official version of the statutes of Montana. The official version of the statutes is the only publication of the statutes that may be used in public documents. This subsection is not intended to interfere with the supreme court's authority to adopt rules of evidence pursuant to Article VII, section 2, of the Montana constitution.

Part 4

Federal Mandates Act

Part Compiler's Comments

Effective Date: Section 10, Ch. 385, L. 1995, provided: "[This act] [2-1-401 through 2-1-408] is effective on passage and approval." Approved April 12, 1995.

2-1-401. Short title. This part may be cited as the "Federal Mandates Act".

History: En. Sec. 1, Ch. 385, L. 1995.

2-1-402. Legislative declaration. (1) (a) In enacting this part, the legislature employs its legislative authority to establish that the people of the state of Montana, acting through their elected officials in state government, have the responsibility and authority to establish policy in and for Montana pertaining to federal programs mandated in federal statutes.

(b) The intent of the legislature is to ensure the primacy of the state of Montana's legal and political authority to implement in and for Montana the policy mandated by federal statutes and to vigorously challenge and scrutinize the extent and scope of authority asserted by federal executive branch agencies when federal agency actions and interpretations are inconsistent with Montana policy and exceed the lawful authority of the federal government or are not required by federal law.

(c) In this regard, the Montana legislature finds and declares that:

(i) the power to implement federal policies in and for Montana is central to the ability of the people of Montana to govern themselves under a federal system of government; and

(ii) any implementation of federal policies in and for Montana by federal executive branch agencies that is contrary to fundamental notions of federalism and self-determination must be identified and countered.

(2) The legislature further finds and declares that:

(a) there is an urgent need to modify federal mandates because the implementation of these mandates by the state wastes the financial resources of local governments, the citizens of Montana, and the state and does not properly respect the rights of local governments, citizens, and the state;

(b) the state government has an obligation to the public to do what is necessary to protect the rights of Montana citizens under federal law while minimizing or eliminating any additional cost or regulatory burden on any citizen of the state;

(c) the 10th amendment to the United States constitution directs that powers that are not delegated to the United States are reserved to the states or to the people. Montana, as one of the sovereign states within the union, has constitutional authority to enact laws protecting the environment of the state and safeguarding the public health, safety, and welfare of the citizens of Montana. However, this authority has too often been ignored by the federal government. The federal government has intruded more and more into areas that must be left to the states. It is essential that the dilution of the authority of state and local governments be halted and that the provisions of the 10th amendment be accorded proper respect.

(d) current federal regulatory mandates, as reflected in federal administrative regulations, guidelines, and policies, often do not reflect the realities of the Rocky Mountain region, and federal regulators frequently do not understand the needs and priorities of the citizens of Montana;

(e) the citizens of this state can create and wish to create innovative solutions to Montana's problems, but the current manner in which legal challenges to state policies and federal programmatic substitutions of state programs are handled does not allow the state the flexibility it needs. It is not possible for the state of Montana to effectively and efficiently implement the provisions of federal statutes unless the burden to prove the insufficiency of the state's efforts to implement federal requirements is shifted to the person or agency who asserts the insufficiency.

(f) the provisions of this part will better balance the exercise of the powers of the federal government and the powers reserved to the states. In addition, the application of this part ultimately will bring about greater protection for the state and the nation because it will direct the state to implement federal statutes at the least possible cost and will make more money available for other needs.

(g) the purpose of this part is to ensure that federal mandates existing on or adopted after April 12, 1995, that are implemented in Montana comply with state policy as established by the legislature;

(h) nothing in this part may be construed to create a private cause of action.

History: En. Sec. 2, Ch. 385, L. 1995.

2-1-403. Definitions. As used in this part, unless the context otherwise requires, the following definitions apply:

(1) "Federal statute" means a federal statute that is in accord with the United States constitution and that imposes mandates on state or local governments.

(2) "Legislative council" means the statutory committee established in 5-11-101.

History: En. Sec. 3, Ch. 385, L. 1995.

2-1-404. State programs to implement federal statutes. (1) A state official or employee charged with the duty of implementing a federal statute shall implement the law as required by the federal statute in good faith and with a critical view toward the provisions of any federal regulation, guideline, or policy in order to identify those provisions of any federal regulation, guideline, or policy that are inconsistent with Montana policy or do not advance Montana policy in a cost-effective manner.

(2) An executive branch agency of state government that is authorized to develop a state program to respond to any mandates contained in a federal statute shall develop the state program and promulgate any necessary rules, using the following criteria:

(a) State programs should be developed by the state agency to meet the requirements of federal statutes in good faith and with a critical view toward any federal regulations, guidelines, or policies.

(b) State programs should be developed with due consideration of the financial restraints of local governments, the citizens of Montana, and the state, including the limitation imposed by Article VIII, section 9, of the Montana constitution.

(c) A state program that implements the goals of the federal statute should provide for the most efficient method possible, with careful consideration given to the cost of the program and the impact of the program on local governments and Montana citizens and on the long-range public health, safety, and welfare of citizens of the state.

History: En. Sec. 4, Ch. 385, L. 1995.

2-1-405. Requirement for budget recommendation — reporting on federal mandates — savings. Prior to recommending to the legislature a budget for a state agency that is charged with implementing federal mandates, the governor shall require that the state agency provide information regarding any monetary savings for the state and any reduction in regulatory burdens on local governments and on the public that could be or have been achieved through the development of state policies that meet the intent of applicable federal statutes but do not necessarily follow all applicable federal regulations, guidelines, or policies. The state agency shall also provide advice to the governor regarding any changes in state statutes that are necessary to provide the state agency the authority to implement state policies in such a way as to create additional savings or greater reductions in regulatory burdens. The governor shall review and compile the information received from state agencies pursuant to this section and shall include recommendations in the governor's budget based upon the information.

History: En. Sec. 5, Ch. 385, L. 1995.

2-1-406. Information regarding federal mandates. (1) The information prepared pursuant to 2-1-405 must be received by the governor prior to the governor's preparation of the state budget for the ensuing biennium. The governor may prepare additional requests for information to follow up and obtain further details regarding the initial responses that were received.

(2) In considering the legality or cost-effectiveness of a federal mandate, federal statute, or state program, the governor may request assistance from the legislative council or its staff, but assistance is at the discretion of the legislative council.

History: En. Sec. 6, Ch. 385, L. 1995.

2-1-407. Report — recommendations. (1) The governor shall examine the information received pursuant to 2-1-405 and, based upon the information, shall present a report to the legislature meeting in its next regular session that includes the following:

(a) recommendations regarding contracts that the state may enter into with specified persons or entities to conduct research, to analyze certain subjects, or to provide other services regarding federal mandates; and

(b) estimates of the cost of the federal mandate efforts submitted to the governor under the provisions of 2-1-405.

(2) If there is a finding that a federal mandate does not meet Montana's cost-effective needs, does not serve Montana public policy, or does not conform to Montana customs and culture, the governor may issue an executive order declaring the intention of Montana to not implement the mandate and may direct the attorney general to vigorously represent the state of Montana in any action that results from or that is necessary to effect the executive order.

History: En. Sec. 7, Ch. 385, L. 1995.

2-1-408. Legislative review and oversight. (1) In exercising its authority as an equal branch of state government, the legislature may conduct any legal review or fiscal analysis that it considers necessary to effect the purpose and intent of this part. The governor, the director or chief executive officer of any agency within the executive branch, or any officer listed in Article VI, section 1, of the Montana constitution shall, upon request by the legislature, immediately provide any information prepared, compiled, developed, detailed, described, referenced, analyzed, reported, or in any other manner considered in conjunction with this part.

(2) In receiving the information described in subsection (1), the legislature is bound by the provisions of Article II, sections 9 and 10, of the Montana constitution.

(3) For the purposes of this section, the legislature includes the senate and the house of representatives, acting jointly or separately, and includes the legislative council.

(4) The legislature may request the assistance of any staff employed by the legislature.

History: En. Sec. 8, Ch. 385, L. 1995.

The provisions of this part recognize that some actions are conflicts per se between public duty and private interest while other actions may or may not pose such conflicts depending upon the surrounding circumstances.

2-2-112. Ethical requirements for legislators. (1) The requirements in this section are intended as rules for legislator conduct, and violations constitute a breach of the public trust of legislative office.

(2) A legislator has a responsibility to the legislator's constituents to participate in all matters as required in the rules of the legislature. A legislator concerned with the possibility of a conflict may briefly present the facts to the committee of that house that is assigned the determination of ethical issues. The committee shall advise the legislator as to whether the legislator should disclose the interest prior to voting on the issue pursuant to the provisions of subsection (5). The legislator may, subject to legislative rule, vote on an issue on which the legislator has a conflict, after disclosing the interest.

(3) When a legislator is required to take official action on a legislative matter as to which the legislator has a conflict created by a personal or private interest that would directly give rise to an appearance of impropriety as to the legislator's influence, benefit, or detriment in regard to the legislative matter, the legislator shall disclose the interest creating the conflict prior to participating in the official action, as provided in subsections (2) and (5) and the rules of the legislature. In making a decision, the legislator shall consider:

(a) whether the conflict impedes the legislator's independence of judgment;

(b) the effect of the legislator's participation on public confidence in the integrity of the legislature;

(c) whether the legislator's participation is likely to have any significant effect on the disposition of the matter; and

(d) whether a pecuniary interest is involved or whether a potential occupational, personal, or family benefit could arise from the legislator's participation.

(4) A conflict situation does not arise from legislation or legislative duties affecting the membership of a profession, occupation, or class.

(5) A legislator shall disclose an interest creating a conflict, as provided in the rules of the legislature. A legislator who is a member of a profession, occupation, or class affected by legislation is not required to disclose an interest unless the class contained in the legislation is so narrow that the vote will have a direct and distinctive personal impact on the legislator. A legislator may seek a determination from the appropriate committee provided for in 2-2-135.

Proscribed Acts Related to Contracts and Claims

2-2-201. Public officers, employees, and former employees not to have interest in contracts — local government waiver. (1) Members of the legislature; state, county, city, town, or township officers; or any deputy or employee of an enumerated governmental entity may not be interested in any contract made by them in their official capacity or by any body, agency, or board of which they are members or employees. A former employee may not, within 6 months following the termination of employment, contract or be employed by an employer who contracts with the state or any of its subdivisions involving matters with which the former employee was directly involved during employment. In this section the term:

(a) "be interested in" does not include holding a minority interest in a corporation;

(b) "contract" does not include:

(i) contracts awarded to the lowest responsible bidder or proposer based on competitive bidding procedures;

(ii) merchandise sold to the highest bidder at public auctions;

(iii) investments or deposits in financial institutions that are in the business of loaning or receiving money;

(iv) a contract with an interested party if, because of geographic restrictions, a local government could not otherwise reasonably afford itself of the subject of the contract. It is presumed that a local government could not otherwise reasonably afford itself of the subject of a contract if the additional cost to the local government is greater than 10% of a contract with an interested party or if the contract is for services that must be performed within a limited time period and no other contractor can provide those services within that time period.

(c) "former employee" does not include a person whose employment with the state was involuntarily terminated due to a reduction in force or other involuntary termination not involving violation of the provisions of this chapter.

(2) The governing body of a city, town, or county may waive the application of the prohibition contained in subsection (1) for a present or former city, town, or county officer or employee who in an official capacity does not influence the decisionmaking process or supervise a function regarding the contract in question. A governing body may grant a waiver under this subsection only after publicly disclosing the nature of the conflict at an advertised public hearing held for that purpose. In determining whether to grant a waiver, the governing body shall consider the following factors, where applicable:

(a) whether the waiver would provide to a program or project a significant benefit or an essential skill or expertise that would otherwise not be available;

(b) whether an opportunity was provided for open competitive bidding or negotiation;

(c) whether the person affected is a member of a clearly identified group of persons that is the intended beneficiary of the program or project involved in the contract; and

(d) whether the hardship imposed on the affected person or the governmental entity by prohibiting the conflict will outweigh the public interest served by avoiding the conflict.

(1) An agency conducting any proceeding subject to this chapter shall have the power to require the furnishing of such information, the attendance of such witnesses, and the production of such books, records, papers, documents, and other objects as may be necessary and proper for the purposes of the proceeding. In furtherance of this power, an agency upon its own motion may and, upon request of any party appearing in a contested case, shall issue subpoenas for witnesses or subpoenas duces tecum. The method for service of subpoenas, witness fees, and mileage shall be the same as required in civil actions in the district courts of the state. Except as otherwise provided by statute, witness fees and mileage shall be paid by the party at whose request the subpoena was issued.

(2) In case of disobedience of any subpoena issued and served under this section or of the refusal of any witness to testify as to any material matter with regard to which he may be interrogated in a proceeding before the agency, the agency may apply to any district court in the state for an order to compel compliance with the subpoena or the giving of testimony. If the agency fails or refuses to seek enforcement of a subpoena issued at the request of a party or to compel the giving of testimony considered material by a party, the party may make such application. The court shall hear the matter as expeditiously as possible. If the disobedience or refusal is found to be unjustified, the court shall enter an order requiring compliance. Disobedience of such order shall be punishable by contempt of court in the same manner and by the same procedures as is provided for like conduct committed in the course of civil actions in district courts. If another method of subpoena enforcement or compelling testimony is provided by statute, it may be used as an alternative to the method provided for in this section.

(2) The person appointed under subsection (1) shall review each notice by any division, bureau, or other unit of the department, including units attached to the department for administrative purposes only under 2-15-121, for compliance with this chapter before the notice is filed with the secretary of state. The reviewer shall pay particular attention to 2-4-302 and 2-4-305. The review must include but is not limited to consideration of:

(d) whether the intended action is contrary to the code section or sections implemented or to other law.

(3) The person appointed under subsection (1) shall sign each notice for which this section requires a review. The act of signing is an affirmation that the review required by this section has been performed to the best of the reviewer's ability. (2) The model rules and additions, amendments, or revisions thereto shall be appropriate for the use of as many agencies as is practicable and shall be filed with the secretary of state and provided to any agency upon request. 2-4-302. Notice, hearing, and submission of views. (1) Prior to the adoption, amendment, or repeal of any rule, the agency shall give written notice of its intended action. The notice shall include a statement of either the terms or substance of the intended action or a description of the subjects and issues involved, the rationale for the intended action, and the time when, place where, and manner in which interested persons may present their views thereon.

(2) (a) The notice shall be filed with the secretary of state for publication in the register as provided in 2-4-312 and mailed within 3 days of publication to persons who have made timely requests to the agency for notice of its rulemaking proceedings and to the office of any professional, trade, or industrial society or organization or member thereof which has filed a request with the administrative code committee when such request has been forwarded to the agency as provided in subsection (b).

(b) The administrative code committee shall forward a list of all organizations or persons who have submitted a request to be informed of agency actions to all agencies publishing rulemaking notices in the Montana Administrative Register. The list must be amended by the agency upon request of any person requesting to be added to or deleted from the list.

(c) The notice shall be published and mailed at least 30 days in advance of the agency's intended action.

(3) If any statute provides for a different method of publication, the affected agency shall comply with the statute in addition to the requirements contained herein. However, in no case may the notice period be less than 30 days or more than 6 months.

(4) Prior to the adoption, amendment, or repeal of any rule, the agency shall afford interested persons at least 20 days' notice of a hearing and 28 days from the day of notice to submit data, views, or arguments, orally or in writing. In the case of substantive rules, the notice of proposed rulemaking must state that opportunity for oral hearing shall be granted if requested by either 10% or 25, whichever is less, of the persons who will be directly affected by the proposed rule, by a governmental subdivision or agency, by the administrative code committee, or by an association having not less than 25 members who will be directly affected.

(5) An agency may continue a hearing date for cause. In the discretion of the agency, contested case procedures need not be followed in hearings held pursuant to this section. If a hearing is otherwise required by statute, nothing herein alters that requirement.

(6) If an agency fails to publish a notice of adoption within the time required by 2-4-305(7) and the agency again proposes the same rule for adoption, amendment, or repeal, the proposal must be considered a new proposal for purposes of compliance with this chapter.

(7) At the commencement of any hearing on the intended action, the person designated by the agency to preside at the hearing shall read aloud the "Notice of Function of Administrative Code Committee" appearing in the register.

2-4-303. Emergency or temporary rules. (1) If an agency finds that an imminent peril to the public health, safety, or welfare requires adoption of a rule upon fewer than 30 days' notice and states in writing its reasons for that finding, it may proceed, without prior notice or hearing or upon any abbreviated notice and hearing that it finds practicable, to adopt an emergency rule. The rule may be effective for a period not longer than 120 days, after which a new emergency rule with the same or substantially the same text may not be adopted, but the adoption of an identical rule under 2-4-302 is not precluded. The sufficiency of the reasons for a finding of imminent peril to the public health, safety, or welfare is subject to judicial review.

(2) A statute enacted or amended to be effective prior to October 1 of the year of enactment or amendment may be implemented by a temporary administrative rule, adopted before October 1 of that year, upon any abbreviated notice or hearing that the agency finds practicable, but the rule may not be filed with the secretary of state until at least 30 days have passed since publication of the notice of proposal to adopt the rule. The temporary rule is effective until October 1 of the year of adoption. The adoption of an identical rule under 2-4-302 is not precluded during the period the temporary rule is effective.

(2) An agency may also appoint committees of experts or interested persons or representatives of the general public to advise it with respect to any contemplated rulemaking. The powers of the committees shall be advisory only.

(3) Nothing herein shall relieve the agency from following rulemaking procedures required by this chapter.

2-4-305. Requisites for validity — authority and statement of reasons. (1) The agency shall consider fully written and oral submissions respecting the proposed rule. Upon adoption of a rule, an agency shall issue a concise statement of the principal reasons for and against its adoption, incorporating in the statement the reasons for overruling the considerations urged against its adoption. If substantial differences exist between the rule as proposed and as adopted and the differences have not been described or set forth in the adopted rule as that rule is printed in the Montana Administrative Register, the differences must be described in the statement of reasons for and against agency action. When written or oral submissions have not been received, an agency may omit the statement of reasons.

(2) Rules may not unnecessarily repeat statutory language. Whenever it is necessary to refer to statutory language in order to convey the meaning of a rule interpreting the language, the reference must clearly indicate the portion of the language that is statutory and the portion that is an amplification of the language.

(3) Each proposed and adopted rule must include a citation to the specific grant of rulemaking authority pursuant to which the rule or any part of the rule is adopted. In addition, each proposed and adopted rule must include a citation to the specific section or sections in the Montana Code Annotated that the rule purports to implement.

(4) Each rule that is proposed and adopted by an agency and that implements a policy of a governing board or commission must include a citation to and description of the policy implemented. Each agency rule implementing a policy and the policy itself must be based on legal authority and otherwise comply with the requisites for validity of rules established by this chapter.

(5) To be effective, each substantive rule adopted must be within the scope of authority conferred and in accordance with standards prescribed by other provisions of law.

(6) Whenever by the express or implied terms of any statute a state agency has authority to adopt rules to implement, interpret, make specific, or otherwise carry out the provisions of the statute, a rule adopted is not valid or effective unless it is:

(a) consistent and not in conflict with the statute; and

(b) reasonably necessary to effectuate the purpose of the statute. Subject to the provisions of subsection (8), reasonable necessity must be demonstrated in the agency's notice of proposed rulemaking and in the written and oral data, views, comments, or testimony submitted by the public or the agency and considered by the agency.

(7) A rule is not valid unless it is adopted in substantial compliance with 2-4-302 or 2-4-303 and this section and unless notice of adoption of the rule is published within 6 months of the publishing of notice of the proposed rule. If an amended or supplemental notice of either proposed or final rulemaking, or both, is published concerning the same rule, the 6-month limit must be determined with reference to the latest notice in all cases.

(8) An agency may use an amended proposal notice or the adoption notice to correct deficiencies in statements of reasonable necessity, in citations of authority for rules, and in citations of sections implemented by rules.

(2) The secretary of state may prescribe a format, style, and arrangement for notices and rules which are filed pursuant to this chapter and may refuse to accept the filing of any notice or rule that is not in compliance therewith. He shall keep and maintain a permanent register of all notices and rules filed, including superseded and repealed rules, which shall be open to public inspection and shall provide copies of any notice or rule upon request of any person. Unless otherwise provided by statute, the secretary of state may require the payment of the cost of providing such copies.

(3) In the event that the administrative code committee has conducted a poll of the legislature in accordance with 2-4-403 or the revenue oversight committee has conducted a poll in accordance with 5-18-109, the results of the poll shall be published with the rule.

(4) Each rule shall become effective after publication in the register as provided in 2-4-312, except that:

(a) if a later date is required by statute or specified in the rule, the later date shall be the effective date;

(b) subject to applicable constitutional or statutory provisions:

(i) a temporary rule is effective immediately upon filing with the secretary of state or at a stated date following publication in the register; and

(ii) an emergency rule shall become effective immediately upon filing with the secretary of state or at a stated date following publication in the register if the agency finds that this effective date is necessary because of imminent peril to the public health, safety, or welfare. The agency's finding and a brief statement of reasons therefor shall be filed with the rule. (1) An agency may adopt by reference any model code, federal agency rule, rule of any agency of this state or other similar publication if the publication of the model code, rule, or other publication would be unduly cumbersome, expensive, or otherwise inexpedient.

(2) The model code, rule, or other publication must be adopted by reference in a rule adopted under the rulemaking procedure required by this chapter. The rule must contain a citation to the material adopted by reference and a statement of the general subject matter of the omitted rule and must

state where a copy of the omitted material may be obtained. Upon request of the secretary of state, a copy of the omitted material must be filed with the secretary of state.

(3) No rule originally adopting by reference any model code or rule provided for in subsection (1) of this section may adopt any later amendments or editions of the material adopted. Except as provided in subsection (5), each later amendment or edition may be adopted by reference only by following the rulemaking procedure required by this chapter.

(4) If requested by a three-fourths vote of the administrative code committee, an agency must immediately publish the full or partial text of any pertinent material adopted by reference under this section. The committee may not require the publication of copyrighted material. Publication of the text of a rule previously adopted does not affect the date of adoption of the rule, but publication of the text of a rule before publication of the notice of final adoption must be in the form of and is considered to be a new notice of proposed rulemaking.

(5) Whenever later amendments of federal regulations must be adopted to comply with federal law or to qualify for federal funding, only a notice of incorporation by reference of such later amendments shall be filed in the Montana Administrative Register. This notice shall contain the information required by subsection (2) of this section and shall state the effective date of such incorporation. The effective date may be no sooner than 30 days after the date upon which the notice is published unless the 30 days causes a delay that jeopardizes compliance with federal law or qualification for federal funding in which event the effective date may be no sooner than the date of publication. A hearing is not required unless requested under 2-4-315 by either 10% or 25, whichever is less, of the persons who will be directly affected by the incorporation, by a governmental subdivision or agency, or by an association having not less than 25 members who will be directly affected. No further notice of adoption or preparation of a replacement page for the Administrative Rules of Montana is required.

(1) Each adjective or interpretive rule or portion of such a rule to be adopted after October 1, 1983, under implied rulemaking authority shall contain a statement in the historical notations of the rule that the rule is advisory only but may be a correct interpretation of the law. Such statement must be placed in the ARM when the rule in question is next scheduled for reprinting.

(2) The administrative code committee may file with the secretary of state, for publication with any rule or portion thereof it considers to be adjective or interpretive, a statement indicating that it is the opinion of the administrative code committee that the rule or portion thereof is adjective or interpretive and therefore advisory only. If the committee requests the statement to be publish-

2-4-311. Publication and arrangement of ARM. (1) The secretary of state shall compile, index, arrange, rearrange, correct errors or inconsistencies without changing the meaning, intent, or effect of any rule, and publish all rules filed pursuant to this chapter in ARM. The secretary of state shall supplement, revise, and publish ARM or any part thereof as often as he considers necessary. He may include such editorial notes, cross-references, and other matter as he and the administrative code committee consider desirable or advantageous. He shall publish supplements to ARM at such times and in such form as he considers appropriate.

(2) ARM shall be arranged, indexed, and printed or duplicated in such manner as to permit separate publication of portions thereof relating to individual agencies. An agency may make arrangements with the secretary of state for the printing of as many copies of such separate publications as it may require. The cost of any such separate publications, determined in accordance with 2-4-313(4), shall be paid by the agency.

(c) a statement of matters officially noticed;

2-4-615 through 2-4-620 reserved.

2-4-621. When absent members render decision — proposal for decision and opportunity to submit findings and conclusions — modification by agency. (1) When in a contested case a majority of the officials of the agency who are to render the final decision have not heard the case, the decision, if adverse to a party to the proceeding other than the agency itself, may not be made until a proposal for decision is served upon the parties and an opportunity is afforded to each party adversely affected to file exceptions and present briefs and oral argument to the officials who are to render the decision.

(2) The proposal for decision must contain a statement of the reasons therefor and of each issue of fact or law necessary to the proposed decision, prepared by the person who conducted the hearing unless he becomes unavailable to the agency.

(3) The agency may adopt the proposal for decision as the agency's final order. The agency in its final order may reject or modify the conclusions of law and interpretation of administrative rules in the proposal for decision but may not reject or modify the findings of fact unless the agency first determines from a review of the complete record and states with particularity in the order that the findings of fact were not based upon competent substantial evidence or that the proceedings on which the findings were based did not comply with essential requirements of law. The agency may accept or reduce the recommended penalty in a proposal for decision but may not increase it without a review of the complete record.

(4) A hearing officer who is a member of an agency adjudicative body may participate in the formulation of the agency's final order, provided he has completed all his duties as hearing officer.

History: En. Sec. 12, Ch. 2, Ex. L. 1971; amd. Sec. 14, Ch. 285, L. 1977; R.C.M. 1947, 82-4212(part); amd. Sec. 4, Ch. 277, L. 1979.

2-4-622. When hearings officer unavailable for decision. (1) If the person who conducted the hearing becomes unavailable to the agency, proposed findings of fact may be prepared by a person who has read the record only if the demeanor of witnesses is considered immaterial by all parties.

(2) The parties may waive compliance with 2-4-621 and 2-4-622 by written stipulation.

History: En. Sec. 12, Ch. 2, Ex. L. 1971; amd. Sec. 14, Ch. 285, L. 1977; R.C.M. 1947, 82-4212(part).

2-4-623. Final orders — notification — availability. (1) A final decision or order adverse to a party in a contested case shall be in writing or stated in the record. A final decision shall include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, shall be accompanied by a concise and explicit statement of the underlying facts supporting the findings.

(2) Findings of facts shall be based exclusively on the evidence and on matters officially noticed.

(3) Each conclusion of law shall be supported by authority or by a reasoned opinion.

(4) If, in accordance with agency rules, a party submitted proposed findings of fact, the decision shall include a ruling upon each proposed finding.

(5) Parties shall be notified either personally or by mail of any decision or order. Upon request, a copy of the decision or order shall be delivered or mailed forthwith to each party and to his attorney of record.

(6) Each agency shall index and make available for public inspection all final decisions and orders, including declaratory rulings under 2-4-501. No such agency decision or order is valid or effective against any person or party nor may it be invoked by the agency for any purpose until it has been made available for public inspection as herein required. This provision is not applicable in favor of any person or party who has actual knowledge thereof or when a state statute or federal statute or regulation prohibits public disclosure of the contents of a decision or order.

2-4-624 through 2-4-630 reserved.

2-4-631. Licenses. (1) When the grant, denial, renewal, revocation, suspension, annulment, withdrawal, limitation, transfer, or amendment of a license is required by law to be preceded by notice and opportunity for hearing, the provisions of this chapter concerning contested cases apply.

(2) When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, the existing license does not expire until the application has been finally determined by the agency and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order or a later date fixed by order of the reviewing court.

(3) Whenever notice is required, no revocation, suspension, annulment, withdrawal, or amendment of any license is lawful unless the agency gave notice by mail to the licensee of facts or conduct which warrant the intended action. If the agency finds that public health, safety, or welfare imperatively requires emergency action and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined.

Part 7

Judicial Review of Contested Cases

2-4-701. Immediate review of agency action. A preliminary, procedural, or intermediate agency action or ruling is immediately reviewable if review of the final agency decision would not provide an adequate remedy.

History: En. Sec. 16, Ch. 2, Ex. L. 1971; amd. Sec. 17, Ch. 285, L. 1977; R.C.M. 1947, 82-4216(part).

2-4-702. Initiating judicial review of contested cases. (1) (a) A person who has exhausted all administrative remedies available within the agency and who is aggrieved by a final decision in a contested case is entitled to judicial review under this chapter. This section does not limit utilization of or the scope of judicial review available under other means of review, redress, relief, or trial de novo provided by statute.

(b) A party who proceeds before an agency under the terms of a particular statute may not be precluded from questioning the validity of that statute on judicial review, but the party may not raise any other question not raised before the agency unless it is shown to the satisfaction of the court that there was good cause for failure to raise the question before the agency.

(2) (a) Except as provided in subsection (2) (c), proceedings for review must be instituted by filing a petition in district court within 30 days after service of the final decision of the agency or, if a rehearing is requested, within 30 days after the decision is rendered. Except as otherwise provided by statute, the petition must be filed in the district court for the county where the petitioner resides or has the petitioner's principal place of business or where the agency maintains its principal office. Copies of the petition must be promptly served upon the agency and all parties of record.

(b) The petition must include a concise statement of the facts upon which jurisdiction and venue are based, a statement of the manner in which the petitioner is aggrieved, and the ground or grounds specified in 2-4-704(2) upon which the petitioner contends he is entitled to relief. The petition must demand the relief to which the petitioner believes the petitioner is entitled, and the demand for relief may be in the alternative.

(c) If a petition for review is filed pursuant to 33-16-1012(2)(c), the workers' compensation court, rather than the district court, has jurisdiction and the provisions of this part apply to the workers' compensation court in the same manner as the provisions of this part apply to the district court.

(3) Unless otherwise provided by statute, the filing of the petition may not stay enforcement of the agency's decision. The agency may grant or the reviewing court may order a stay upon terms that it considers proper, following notice to the affected parties and an opportunity for hearing. A stay may be issued without notice only if the provisions of 27-19-315, 27-19-316, and 27-19-317 are met.

(4) Within 30 days after the service of the petition or within further time allowed by the court, the agency shall transmit to the reviewing court the original or a certified copy of the entire record of the proceeding under review. By stipulation of all parties to the review proceedings, the record may be shortened. A party unreasonably refusing to stipulate to limit the record may be taxed by the court for the additional costs. The court may require or permit subsequent corrections or additions to the record.

History: En. Sec. 16, Ch. 2, Ex. L. 1971; amd. Sec. 17, Ch. 285, L. 1977; R.C.M. 1947, 82-4216(part); amd. Sec. 1, Ch. 520, L. 1985; amd. Sec. 1, Ch. 290, L. 1995.

Compiler's Comments

1995 Amendment: Chapter 290 in (2)(a), at beginning, inserted exception clause; inserted (2)(c) regarding applicability and jurisdiction of appeals filed pursuant to 33-16-1012(2)(c); and made minor changes in style.

2-4-703. Receipt of additional evidence. If, before the date set for hearing, application is made to the court for leave to present additional evidence and it is shown to the satisfaction of the court that the additional evidence is material and that there were good reasons for failure to present it in the proceeding before the agency, the court may order that the additional evidence be taken before the agency upon conditions determined by the court. The agency may modify its findings and decision by reason of the additional evidence and shall file that evidence and any modifications, new findings, or decisions with the reviewing court.

History: En. Sec. 16, Ch. 2, Ex. L. 1971; amd. Sec. 17, Ch. 285, L. 1977; R.C.M. 1947, 82-4216(5).

2-4-704. Standards of review. (1) The review shall be conducted by the court without a jury and shall be confined to the record. In cases of alleged irregularities in procedure before the agency not shown in the record, proof thereof may be taken in the court. The court, upon request, shall hear oral argument and receive written briefs.

(2) The court may not substitute its judgment for that of the agency as to the weight of the evidence on questions of fact. The court may affirm the decision of the agency or remand the case for further proceedings. The court may reverse or modify the decision if substantial rights of the appellant have been prejudiced because:

(a) the administrative findings, inferences, conclusions, or decisions are:
(i) in violation of constitutional or statutory provisions;
(ii) in excess of the statutory authority of the agency;
(iii) made upon unlawful procedure;
(iv) affected by other error of law;

(v) clearly erroneous in view of the reliable, probative, and substantial evidence on the whole record;

(vi) arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion; or

(b) findings of fact, upon issues essential to the decision, were not made although requested.

History: En. Sec. 16, Ch. 2, Ex. L. 1971; amd. Sec. 17, Ch. 285, L. 1977; R.C.M. 1947, 82-4216(6), (7); amd. Sec. 2, Ch. 83, L. 1989.

2-4-705 through 2-4-710 reserved.

2-4-711. Appeals — staying agency decision. An aggrieved party may obtain review of a final judgment of a district court under this part by appeal to the supreme court within 60 days after entry of judgment. Such appeal shall be taken in the manner provided by law for appeals from district courts in civil cases. Unless otherwise provided by statute or unless the agency has granted a stay through the completion of the judicial review process:

(1) if appeal is taken from a judgment of the district court affirming an agency decision, the agency decision shall not be stayed except upon order of the supreme court; except that, in cases where a stay is in effect at the time of the filing of notice of appeal, the stay shall be continued by operation of law for 20 days from the date of filing of the notice;

(2) if appeal is taken from a judgment of the district court reversing or modifying an agency decision, the agency decision shall be stayed pending final determination of the appeal unless the supreme court orders otherwise.

History: En. Sec. 17, Ch. 2, Ex. L. 1971; amd. Sec. 18, Ch. 285, L. 1977; R.C.M. 1947, 82-4217.

Part 1

General Provisions

2-5-101. Short title. This part may be cited as the "Montana Negotiated Rulemaking Act".

History: En. Sec. 1, Ch. 400, L. 1993.

2-5-102. Purpose. The purpose of this part is to establish a framework for the conduct of negotiated rulemaking consistent with the Montana Administrative Procedure Act and the constitutional right of Montanans to participate in the operation of governmental agencies and to encourage agencies to use negotiated rulemaking when it enhances the rulemaking process. As authorized by 2-4-304, it is the intent of the legislature that state agencies, whenever appropriate, use the negotiated rulemaking process to resolve controversial issues prior to the commencement of the formal rulemaking process. However, negotiated rulemaking is not a substitute for the public notification and participation requirements of the Montana Administrative Procedure Act, and a consensus agreement by a negotiated rulemaking committee may be modified by an agency as a result of the subsequent rulemaking process. This part may not be construed as an attempt to limit innovation and experimentation with the negotiated rulemaking process.

2-5-103. Definitions. As used in this part, the following definitions apply:

(1) "Agency" means any board, bureau, commission, department, authority, or officer of the executive branch of state government authorized or required by law to make rules.

(2) "Consensus" means unanimous concurrence among the interests represented on a negotiated rulemaking committee established under 2-5-106, unless the committee agrees upon another specified definition.

(3) "Convener" means a person who impartially assists an agency in determining whether establishment of a negotiated rulemaking committee is feasible and appropriate for a particular rulemaking procedure.

(4) "Facilitator" means a person who impartially aids in the discussions and negotiations among the members of a negotiated rulemaking committee to develop a proposed rule. A facilitator does not have decisionmaking authority.

(5) "Interest" means, with respect to an issue or matter, multiple parties that have a similar point of view or that are likely to be affected in a similar manner.

(6) "Negotiated rulemaking" means rulemaking through the use of a negotiated rulemaking committee.

(7) "Negotiated rulemaking committee" or "committee" means an advisory committee established under 2-5-106 and authorized under 2-4-304 to consider and discuss issues for the purpose of reaching a consensus in the development of a proposed rule.

(8) "Person" means an individual, partnership, corporation, association, governmental subdivision, agency, or public or private organization of any character.

(9) "Rule" means an agency regulation, standard, or statement of general applicability that implements, interprets, or prescribes law or policy or describes the organization, procedures, or practice requirements of an agency. The term includes the amendment or repeal of a prior rule but does not include:

(a) statements concerning only the internal management of an agency and not affecting private rights or procedures available to the public;

(b) formal opinions of the attorney general and declaratory rulings issued pursuant to 2-4-501;

(c) rules relating to the use of public works, facilities, streets, and highways when the substance of the rules is indicated to the public by means of signs or signals;

(d) rules implementing the state personnel classification plan, the state wage and salary plan, or the statewide budgeting and accounting system;

(e) uniform rules adopted pursuant to interstate compact, except that the rules must be filed in accordance with 2-4-306 and must be published in the Administrative Rules of Montana.

2-5-104. Determination of need for negotiated rulemaking committee. (1) An agency may establish a negotiated rulemaking committee to negotiate and develop a proposed rule if the agency director determines that the use of the negotiated rulemaking procedure is in the public interest. In making that determination, the agency director shall consider whether:

(a) there is a need for a rule;

(b) there are a limited number of identifiable interests that will be significantly affected by the rule;

(c) there is a reasonable likelihood that a committee can be convened with a balanced representation of persons who:

(i) can adequately represent the interests identified under subsection (1)(b); and

(ii) are willing to negotiate in good faith to reach a consensus on the proposed rule;

(d) there is a reasonable likelihood that a committee will reach a consensus on the proposed rule within a fixed period of time;

(e) the negotiated rulemaking procedure will not unreasonably delay the notice of proposed rulemaking and the issuance of the final rule;

(f) the agency has adequate resources and is willing to commit those resources, including technical assistance, to the committee; and

(g) the agency, to the maximum extent possible consistent with the legal obligations of the agency, will use the consensus of the committee as the basis for the rule proposed by the agency.

(2) An agency may use the services of a convener to assist in making the determination of need pursuant to subsection (1) and to assist the agency in:

(a) identifying persons who will be significantly affected by a proposed rule; and

(b) conducting discussions with affected persons on the issues of concern and ascertaining whether the establishment of a negotiated rulemaking committee is feasible and appropriate for the particular rulemaking procedure.

(3) The convener shall report findings and make recommendations to the agency. Upon request of the agency, the convener shall ascertain the names of persons who are willing and qualified to represent the interests that will be significantly affected by the proposed rule. The report and any recommendations of the convener must be made available to the public upon request.

History: En. Sec. 4, Ch. 400, L. 1993.

2-5-105. Application for membership on committees — publication of notice. (1) If an agency decides to establish a negotiated rulemaking committee, the agency shall publish in the Montana Administrative Register and, as appropriate, in newspapers and other publications, a notice that includes:

(a) an announcement that the agency intends to establish a negotiated rulemaking committee to negotiate and develop a proposed rule;

(b) a description of the subject and scope of the rule to be developed and the issues to be considered;

(c) a list of interests likely to be significantly affected by the proposed rule;

(d) a list of the persons proposed to represent the affected interests and the agency;

(e) a proposed schedule for completing the work of the committee; and

(f) an explanation of how a person may apply for or nominate another person for membership on the committee.

(2) An agency may include the notice required in subsection (1) in the notice of intent to promulgate rules made pursuant to 2-4-302.

(3) The agency shall provide a period of at least 30 days for the submission of comments and applications for membership on a negotiated rulemaking committee.

History: En. Sec. 5, Ch. 400, L. 1993.

Cross-References

2-5-106. Establishment of committee — determination. (1) If, after considering comments and applications submitted under 2-5-105, the agency determines that a negotiated rulemaking committee can adequately represent the interests of the persons that will be significantly affected by a proposed rule and that it is feasible and appropriate in the particular rulemaking, the agency may establish a negotiated rulemaking committee.

(2) If, after considering comments and applications submitted under 2-5-105, the agency decides not to establish a negotiated rulemaking committee, the agency shall notify the persons who commented on or applied for membership on the negotiated rulemaking committee of the reasons for the decision. The agency shall also publish a notice in the Montana Administrative Register and, as appropriate, in newspapers and other publications.

(3) The agency shall provide appropriate administrative support to the negotiated rulemaking committee, including technical support.

(4) A negotiated rulemaking committee terminates upon adoption of the final rule under consideration, unless the agency, after consulting the committee, or the committee itself specifies an earlier termination date.

History: En. Sec. 6, Ch. 400, L. 1993.

2-5-107. Expansion of committee membership. (1) A negotiated rulemaking committee may by consensus expand its membership, either by contacting and recruiting persons whose participation the committee believes is essential to the success of the negotiated rulemaking process or upon reviewing a petition submitted pursuant to subsection (2).

(2) Persons who will be significantly affected by a proposed rule and who believe that their interests will not be adequately represented by any person on a negotiated rulemaking committee may petition for or nominate another person for membership on the negotiated rulemaking committee. Each petition or nomination must be submitted to the negotiated rulemaking committee and must include:

(a) the name of the petitioner or nominee and a description of the interests the person represents;

(b) evidence that the petitioner or nominee is authorized to represent parties related to the interests the person proposes to represent;

(c) a written commitment that the petitioner or nominee will actively participate in good faith in the development of the rule under consideration; and

(d) an explanation of reasons that the persons already on the negotiated rulemaking committee do not adequately represent the interests of the person submitting the petition or nomination.

(3) Upon receiving a petition pursuant to subsection (2), a negotiated rulemaking committee shall decide by consensus at its next meeting whether or not to expand its membership.

History: En. Sec. 7, Ch. 400, L. 1993.

2-5-108. Committee — duties — procedures — report. (1) A negotiated rulemaking committee shall consider the matter proposed by the agency for consideration and shall attempt to reach consensus concerning a proposed rule and any other matter the committee determines is relevant to the proposed rule.

(2) The person representing the agency on a negotiated rulemaking committee shall participate in the deliberations of the committee with the same rights and responsibilities of other members of the committee and is authorized to fully represent the agency in the discussions and negotiations of the committee.

(3) A negotiated rulemaking committee may adopt procedures or ground rules for the operation of the committee.

(4) If a negotiated rulemaking committee achieves consensus on a proposed rule, at the conclusion of the negotiations, the committee shall transmit to the agency that established the committee a report containing the proposed rule.

(5) If a negotiated rulemaking committee does not reach a consensus on the proposed rule, the committee shall transmit to the agency a report specifying areas in which the committee reached consensus and the issues that remain unresolved. The committee may include in the report any other information, recommendations, or materials that the committee considers appropriate. Any member of the committee may include as an addendum to the report additional information, recommendations, or materials.

(6) Title 2, chapter 3, part 2, applies to meetings of a negotiated rulemaking committee.

History: En. Sec. 8, Ch. 400, L. 1993.

2-5-109. Facilitator — selection and duties. (1) An agency may nominate a person to serve as a facilitator for the negotiations of the committee, subject to the approval of the committee by consensus. If the committee does not approve the agency's nomination for facilitator, the agency shall submit a substitute nomination. If a committee does not approve the substitute nomination of the agency for facilitator, the committee shall select by consensus a person to serve as facilitator. A person designated to represent the agency in substantive issues may not serve as facilitator or presiding officer for the committee.

(2) A facilitator approved or selected by a committee shall:

(a) preside at the meetings of the committee in an impartial manner;

(b) impartially assist the members of the committee in conducting discussions and negotiations and achieving consensus; and

(c) manage the keeping of minutes and records.

History: En. Sec. 9, Ch. 400, L. 1993.

2-5-110. Expenses — convener — facilitator — committee members. (1) An agency may employ or enter into a contract for the services of an organization or individual to serve as a convener or facilitator for a negotiated rulemaking committee or may use the services of a government employee to act as a convener or facilitator for a committee.

(2) An agency shall determine whether a person under consideration as a convener or facilitator of a negotiated rulemaking committee has any financial or other interest that would preclude the person from serving in an impartial and independent manner. A person disqualified under this criterion must be dropped from further consideration.

(3) Members of a negotiated rulemaking committee are responsible for their own expenses of participation. However, an agency may pay for a committee member's reasonable travel and per diem expenses, expenses to obtain technical assistance, and a reasonable rate of compensation if:

(a) the committee member certifies a lack of adequate financial resources to participate in the committee; and

(b) the agency determines that the committee member's participation in the committee is necessary to ensure an adequate representation of the interests of the members.

(4) An agency may accept grants or gifts from any source to fund the negotiated rulemaking process, provided that:

(a) information on the name of the person giving the grant or gift and the amount of the grant or gift is available to the public;

Part 1

Periodic Agency Evaluation

2-8-101. Purpose. (1) The legislature finds state government actions have produced a substantial increase in numbers of agencies, growth of programs, and proliferation of rules. The legislature questions whether conditions causing the establishment of these agencies, programs, and rules have not changed to such an extent as to remove the need for some or all of the agencies, programs, and rules.

(2) It is the intent of the legislature, by establishing a system of periodic evaluation of the need for and the performance of agencies or programs preparatory to termination, modification, or reestablishment, to be in a better position to ensure as follows:

(a) The executive department is responsive to the needs of all of the people of the state.

(b) No agency, program, or rule exists which is not responsive to those needs.

(c) No profession, occupation, business, industry, or other endeavor is subject to the state's regulatory power unless the exercise of such power is necessary to protect the public health, safety, or welfare from significant and discernible harm or damage. The exercise of the state's police power shall be done only to the extent necessary for that purpose.

(d) The state may not regulate a profession, occupation, industry, business, or other endeavor in a manner which will unreasonably adversely affect the competitive market.

(e) There exists a systematic legislative review of the need for and public benefits derived from a program or function by a periodic review and termination, modification, or reestablishment of such programs and functions.

(2) "Performance audit" means an examination of the effectiveness of administration and its efficiency and adequacy in terms of the program of a state agency authorized by law to be performed and the conformance of expenditures with legislative intent. Audits conducted shall include an analysis of the operation of the agency, with special regard to the duplication of efforts between the audited agency or program and other agencies or programs and the quality of service being rendered.

(3) "Program" means any legislatively or administratively created function, project, or duty of an agency.

(2) The review conducted shall include a performance audit of the agency or program, with emphasis on its effect on the public health, safety, and welfare.

(3) The legislative audit committee shall assist in the implementation of the provisions of this part and shall establish administrative procedures which facilitate the review and evaluation as required in this part.

(2) In the event termination of an agency or program is recommended by the legislative audit committee, the agency involved in the termination has the burden of demonstrating a public need for the agency's or program's continued existence and the extent to which a change in the composition, structure, and operation of the agency or program would improve public health, safety, or welfare.

Political subdivisions that are not in a pooled fund may obtain excess coverage from a surplus lines insurer without proceeding under the provisions of 33-2-302(2) through (4) only if the insurer carries an A rating or better by a nationally recognized rating company or is a Lloyds of London underwriter.

(2) A political subdivision that elects to establish a deductible plan may establish a deductible reserve separately or jointly with other subdivisions.

(3) A political subdivision that elects to establish a self-insurance plan may accumulate a self-insurance reserve fund, separately or jointly with other subdivisions, sufficient to provide self-insurance for all liability coverages that, in its discretion, the political subdivision considers should be self-insured. Payments into the reserve fund must be made from local legislative appropriations for that purpose or from the proceeds of bonds or notes authorized by subsection (5). Proceeds of the fund may be used only to pay claims under parts 1 through 3 of this chapter and for actual and necessary expenses required for the efficient administration of the fund.

(4) Money in reserve funds established under this section not needed to meet expected expenditures must be invested, and all proceeds of the investment must be credited to the fund.

(5) A political subdivision may issue and sell its bonds or notes for purposes of funding a self-insurance or deductible reserve fund and costs incident to the reserve fund in an amount not exceeding 3% of the taxable value of the political subdivision as of the date of issuance. The bonds or notes must be authorized by resolution of the governing body, are payable from the taxes authorized by 2-9-212, may be sold at public or private sale, do not constitute debt within the meaning of any statutory debt limitation, and may contain other terms and provisions as the governing body determines. Two or more political subdivisions may agree pursuant to an interlocal agreement to exercise their respective borrowing powers under this section jointly and may authorize a joint board created pursuant to the agreement to exercise powers on their behalf.

2-9-305. Governmental entity to be joined as defendant — immunization, defense, and indemnification of employees. (1) It is the purpose of this section to provide for the immunization, defense, and indemnification of public officers and employees civilly sued for their actions taken within the course and scope of their employment.

(2) In any noncriminal action brought against any employee of a state, county, city, town, or other governmental entity for a negligent act, error, or omission, including alleged violations of civil rights pursuant to 42 U.S.C. 1983, or other actionable conduct of the employee committed while acting within the course and scope of the employee's office or employment, the governmental entity employer, except as provided in subsection (6) shall defend the action on behalf of the employee and indemnify the employee.

(3) Upon receiving service of a summons and complaint in a noncriminal action against him, the employee shall give written notice to his supervisor requesting that a defense to the action be provided by the governmental entity employer. If the employee is an elected state official or other employee having no supervisor, the employee shall give notice of the action to the legal officer or agency of the governmental entity defending the entity in legal actions of that type. Except as provided in subsection (6), the employer shall offer a defense to the action on behalf of the employee. The defense may consist of a defense provided directly by the employer. The employer shall notify the employee, within 15 days after receipt of notice, whether a direct defense will be provided. If the employer refuses or is unable to provide a direct defense, the defendant employee may retain other counsel. Except as provided in subsection (6), the employer shall pay all expenses relating to the retained defense and pay any judgment for damages entered in the action that may be otherwise payable under this section.

(4) In any noncriminal action in which a governmental entity employee is a party defendant, the employee shall be indemnified by the employer for any money judgments or legal expenses, including attorney fees either incurred by the employee or awarded to the claimant, or both, to which the employee may

be subject as a result of the suit unless the employee's conduct falls within the exclusions provided in subsection (6).

(5) Recovery against a governmental entity under the provisions of parts 1 through 3 of this chapter constitutes a complete bar to any action or recovery of damages by the claimant, by reason of the same subject matter, against the employee whose negligence or wrongful act, error, or omission or other actionable conduct gave rise to the claim. In any such action against a governmental entity, the employee whose conduct gave rise to the suit is immune from liability by reasons of the same subject matter if the governmental entity acknowledges or is bound by a judicial determination that the conduct upon which the claim is brought arises out of the course and scope of the employee's employment, unless the claim constitutes an exclusion provided in (b) through (d) of subsection (6).

(6) In a noncriminal action in which a governmental entity employee is a party defendant, the employee may not be defended or indemnified by the employer for any money judgments or legal expenses, including attorney fees, to which the employee may be subject as a result of the suit if a judicial determination is made that:

(a) the conduct upon which the claim is based constitutes oppression, fraud, or malice, or for any other reason does not arise out of the course and scope of the employee's employment;

(b) the conduct of the employee constitutes a criminal offense as defined in Title 45, chapters 4 through 7;

(c) the employee compromised or settled the claim without the consent of the government entity employer; or

(d) the employee failed or refused to cooperate reasonably in the defense of the case.

(7) If no judicial determination has been made applying the exclusions provided in subsection (6), the governmental entity employer may determine whether those exclusions apply. However, if there is a dispute as to whether the exclusions of subsection (6) apply and the governmental entity employer concludes it should clarify its obligation to the employee arising under this section by commencing a declaratory judgment action or other legal action, the employer is obligated to provide a defense or assume the cost of the defense of the employee until a final judgment is rendered in such action holding that the employer had no obligation to defend the employee. The governmental entity employer has no obligation to provide a defense to the employee in a declaratory judgment action or other legal action brought against the employee by the employer under this subsection.

2-9-306. Construction of policy conditions — customary exclusions. Any insurance policy, rider, or endorsement issued and purchased after July 1, 1973, to insure against any risk which may arise as a result of the application of parts 1 through 3 of this chapter which contains any condition or provision not in compliance with the requirements of parts 1 through 3 shall not be rendered invalid thereby but shall be construed and applied in accordance with such conditions and provisions as would have applied had such policy, rider, or endorsement been in full compliance with parts 1 through 3, provided the policy is otherwise valid. This section may not be construed to prohibit any such insurance policy, rider, or endorsements from containing standard and customary exclusions of coverages that the department of administration considers reasonable and prudent upon considering the availability and the cost of such insurance coverages.

2-9-314. Court approval of attorney's fee. (1) When an attorney represents or acts on behalf of a claimant or any other party on a tort claim against the state or a political subdivision thereof, the attorney shall file with the claim a copy of the contract of employment showing specifically the terms of the fee arrangement between the attorney and the claimant.

(2) The district court may regulate the amount of the attorney's fee in any tort claim against the state or a political subdivision thereof. In regulating the amount of the fee, the court shall consider the time the attorney was required to spend on the case, the complexity of the case, and any other relevant matter the court may consider appropriate.

(3) Attorneys' fees regulated under this section shall be made a part of the court record and are open to the public.

(4) If an attorney violates a provision of this section, a rule of court adopted under this section, or an order fixing attorney's fees under this section, he forfeits the right to any fee which he may have collected or been entitled to collect.

2-9-511. Extent of sureties' liability — when less than full. (1) Every official bond executed by any officer pursuant to law is in force and obligatory upon the principal and sureties therein for any and all breaches of the conditions thereof committed during the time such officer continues to discharge any of the duties of or hold the office and whether such breaches are committed or suffered by the principal officer, his deputy, or clerk.

(2) Every such bond is in force and obligatory upon the principal and sureties therein for the faithful discharge of all duties which may be required of such officer by any law enacted subsequently to the execution of such bond, and such condition must be expressed therein.

(3) When the penal sum of any bond required to be given amounts to more than $1,000, the sureties may become severally liable for portions not less than $500, making in the aggregate a liability of double the amount named as the penal sum of the bond. If any such bond becomes forfeited, an action may be brought thereon against any or all of the obligors and judgment entered against them, either jointly or severally, as they may be liable. The judgment must not be entered against a surety severally bound for a greater sum than that for which he is specially liable by the terms of the bond. Each surety is liable to contribute to his cosureties in proportion to the amount for which he is liable.

2-9-512. Defects not to affect liability. (1) Whenever an official bond does not contain the substantial matter or conditions required by law or there are any defects in the approval or filing thereof, it is not void so as to discharge such officer and sureties, but they are equitably bound to the state or party interested and the state or such party may, by action in any court of competent jurisdiction, suggest the defect in the bond, approval, or filing and recover the proper and equitable demand or damages from such officer and the persons who intended to become and were included as sureties in such bond.

(2) No official bond entered into by any officer or any bond, recognizance, or written undertaking taken by any officer in the discharge of the duties of his office shall be void for want of form, substance, recital, or condition or the principal or surety be discharged. The principal and surety shall be bound by such bond, recognizance, or written undertaking to the full extent contemplated by the law requiring the same and the sureties to the amount specified in the bond or recognizance or written undertaking. In all actions on a defective bond, recognizance, or written undertaking, the plaintiff or relator may suggest the defect in his complaint and recover to the same extent as if such bond, recognizance, or written undertaking were perfect in all respects.

(1) When an action is commenced in any court in this state, for the benefit to the state, to enforce the penalty of or to recover money upon an official bond or obligation or any bond or obligation executed in favor of the state of Montana or of the people of this state, the attorney or other person prosecuting the action may file with the clerk of the court in which the action is commenced an affidavit stating either positively or on information and belief that such bond or obligation was executed by the defendant or one or more of the defendants (designating whom) and made payable to the people of the state or to the state and that the defendant or defendants have real estate or some interest in lands (designating the county or counties in which the same is situated) and that the action is prosecuted for the benefit of the state. The clerk of the court receiving such affidavit must certify to the county clerk in which such real estate is situated the names of the parties to the action, the name of the court in which the action is pending, and the amount claimed in the complaint, with the date of the commencement of the suit.

(2) Upon receiving such certificate, the county clerk must endorse upon it the time of its reception. Such certificate must be filed in the same manner as notices of the pendency of action affecting real estate. Any judgment recovered in such action is a lien upon all real estate belonging to the defendant situated in any county in which such certificate is so filed or to one or more of such defendants, for the amount the owner thereof is or may be liable upon the judgment, from the filing of this certificate.

(3) In any action to compel the specific performance of an agreement to sell real estate affected by the lien created by the filing of the certificate mentioned in subsection (2) which agreement was made prior to the filing of such certificate, but the purchase price thereof is not due until after the filing of said certificate, the judge of the district court in which said action for specific performance is tried must, if the purchaser is otherwise entitled to specific performance of such agreement, order the said purchaser to pay the purchase price, or so much thereof as may be due, to the state treasurer, taking his receipt

therefor. Upon such payment, the purchaser is entitled to enforce the specific performance of the agreement and take said real estate free from the liens created by the filing of said certificate. The moneys so paid to the state treasurer must be held by him, pending the litigation mentioned in said certificate and subject to the lien created by the filing of said certificate. If judgment is recovered against the defendant, the state treasurer in his settlement must pay to the county treasurer entitled to the same the amount due the county.

STATE AGENCY ACTIONS AFFECTING PRIVATE PROPERTY

Part 1 — Private Property Assessment Act

2-10-101. Short title.
2-10-102. Purpose.
2-10-103. Definitions.
2-10-104. Guidelines for actions with taking implications.
2-10-105. Impact assessment.

Part 1

Private Property Assessment Act

2-10-101. Short title. This part may be cited as the "Private Property Assessment Act".

History: **En. Sec. 1, Ch. 462, L. 1995.**

2-10-102. Purpose. It is the policy of this state that a person may not be deprived of the use of private property without due process of law and that private property may not be taken or damaged by a state agency without prior just compensation to the owner in accordance with the meaning ascribed to these concepts by the United States supreme court and the Montana supreme court. An assessment of each state agency action with taking or damaging implications is needed to avoid imposing expensive litigation burdens on citizens and to minimize the risk of unanticipated demands on the state's fiscal resources. The purpose of this part is to establish an orderly and consistent process that better enables state agencies to evaluate whether an action with taking or damaging implications might result in the taking or damaging of private property. It is not the purpose of this part to expand or diminish the private property protections provided in the federal and state constitutions.

History: En. Sec. 2, Ch. 462, L. 1995.

2-10-103. Definitions. As used in this part, the following definitions apply:

(1) "Action with taking or damaging implications" means a proposed state agency administrative rule, policy, or permit condition or denial pertaining to land or water management or to some other environmental matter that if adopted and enforced would constitute a deprivation of private property in violation of the United States or Montana constitution. It does not include:

(a) proposed eminent domain proceedings;

(b) a proposed seizure of property by law enforcement officials as evidence or under a state forfeiture statute;

(c) a proposed forfeiture of property during or as a result of criminal proceedings; or

(d) a proposal to repeal a rule, discontinue a government program, or implement a proposed change that has the effect of reducing regulation of private property.

(2) "Private property" means all real property, including but not limited to water rights.

(3) "State agency" means an officer, board, commission, department, or other entity within the executive branch of state government.

(4) "Taking or damaging" means depriving a property owner of private property in a manner requiring compensation under the 5th and 14th amendments to the constitution of the United States or Article II, section 29, of the Montana constitution.

History: En. Sec. 3, Ch. 462, L. 1995.

2-10-104. Guidelines for actions with taking implications. (1) The attorney general shall develop and provide to state agencies guidelines, including a checklist, to assist the agencies in identifying and evaluating agency actions with taking or damaging implications. The attorney general shall at least annually review the guidelines and modify them as necessary to comply with changes in statutes and court decisions.

(2) In developing guidelines, the attorney general shall include a provision that state agencies should consider and follow obligations imposed by the 5th and 14th amendments to the Constitution of the United States and Article II, section 29, of the Montana constitution, as construed by the United States supreme court and the Montana supreme court, when considering and implementing an action with taking or damaging implications in order to avoid unanticipated and undue burdens on the state treasury.

History: En. Sec. 4, Ch. 462, L. 1995.

2-10-105. Impact assessment. (1) Each state agency shall assign a qualified person or persons in the state agency the duty and authority to ensure that the state agency complies with this part. Each state agency action with taking or damaging implications must be submitted to that person or persons for review and completion of an impact assessment. The state agency may not take the action unless the review and impact assessment have been completed, except that the action with taking or damaging implications may be taken before the review and impact assessment are completed if necessary to avoid an immediate threat to public health or safety.

(2) Using the attorney general's guidelines and checklist, the person shall prepare a taking or damaging impact assessment for each state agency action with taking or damaging implications that includes an analysis of at least the following:

(a) the likelihood that a state or federal court would hold that the action is a taking or damaging;

(b) alternatives to the action that would fulfill the agency's statutory obligations and at the same time reduce the risk for a taking or damaging; and

(c) the estimated cost of any financial compensation by the state agency to one or more persons that might be caused by the action and the source for payment of the compensation.

(3) A copy of the impact assessment for a proposed action with taking or damaging implications must be given to the governor before the action is taken, except that an action to avoid an immediate threat to public health or safety may be taken before the impact assessment is completed and the assessment may be reported to the governor after the action is taken.

General Provisions

2-15-101. Declaration of policy and purpose. (1) The purpose of this chapter is to comply with Article VI, section 7, of the Montana constitution which requires that all executive and administrative offices, boards, bureaus, commissions, agencies, and instrumentalities of the executive branch (except for the office of governor, lieutenant governor, secretary of state, attorney general, superintendent of public instruction, and auditor) and their respective functions, powers, and duties shall be allocated by law among not more than 20 principal departments so as to provide an orderly arrangement in the administrative organization of state government.

(2) It is the public policy of this state and the purpose of this chapter to create a structure of the executive branch of state government which is responsive to the needs of the people of this state and sufficiently flexible to meet changing conditions; to strengthen the executive capacity to administer effectively and efficiently at all levels; to encourage greater public participation in state government; to effect the grouping of state agencies into a reasonable number of departments primarily according to function; to provide that the responsibility within the executive branch of state government for the implementation of programs and policies is clearly fixed and ascertainable; and to eliminate overlapping and duplication of effort within the executive branch of state government.

(8) A majority of the membership of an advisory council constitutes a quorum to do business.

(9) Except as provided in subsection (1)(c) of this section, an advisory council may not be created or appointed by a department head or any other official without the approval of the governor. In order for the creation or approval of the creation of an advisory council to be effective, the governor must file in his office and in the office of the secretary of state a record of the council created showing the council's:

(a) name, in accordance with subsection (2) of this section;

(b) composition;

(c) names and addresses of the appointed members;

(d) purpose;

(e) term of existence, in accordance with subsection (10) of this section.

(10) An advisory council may not be created to remain in existence longer than 2 years after the date of its creation or beyond the period required to receive federal or private funds, whichever occurs later, unless extended by the governor or by the board of public education, the board of regents of higher education, the state board of education, the attorney general, the state auditor, the secretary of state, or the superintendent of public instruction for those advisory councils created in the manner set forth in subsection (1)(c) of this section. If the existence of an advisory council is extended, they shall specify a new date, not more than 2 years later, when the existence of the advisory council ends and file a record of the order in the office of the governor and the office of the secretary of state. The existence of any advisory council may be extended as many times as necessary.

2-15-123. Administratively created agencies — prohibition. The governor, a department head, or any other official of the executive branch of state government or an agency may not, by administrative action, create or attempt to create an agency of state government. This section does not apply to:

(1) advisory councils created in accordance with 2-15-122;

(2) units within the internal structure of a department established under 2-15-112(1)(g).

2-15-124. Quasi-judicial boards. If an agency is designated by law as a quasi-judicial board for the purposes of this section, the following requirements apply:

(1) The number of and qualifications of its members are as prescribed by law. In addition to those qualifications, unless otherwise provided by law, at least one member shall be an attorney licensed to practice law in this state.

(2) The governor shall appoint the members. A majority of the members shall be appointed to serve for terms concurrent with the gubernatorial term and until their successors are appointed. The remaining members shall be appointed to serve for terms ending on the first day of the third January of the succeeding gubernatorial term and until their successors are appointed. It is the intent of this subsection that the governor appoint a majority of the members of each quasi-judicial board at the beginning of his term and the remaining members in the middle of his term. As used in this subsection, "majority" means the next whole number greater than half.

(3) The appointment of each member is subject to the confirmation of the senate then meeting in regular session or next meeting in regular session following the appointment. A member so appointed has all the powers of the office upon assuming that office and is a de jure officer, notwithstanding the fact that the senate has not yet confirmed the appointment. If the senate does not confirm the appointment of a member, the governor shall appoint a new member to serve for the remainder of the term.

(4) A vacancy shall be filled in the same manner as regular appointments, and the member appointed to fill a vacancy shall serve for the unexpired term to which he is appointed.

(5) The governor shall designate the chairman. The chairman may make and second motions and vote.

(6) Members may be removed by the governor only for cause.

(7) Unless otherwise provided by law, each member is entitled to be paid $50 for each day in which he is actually and necessarily engaged in the performance of board duties, and he is also entitled to be reimbursed for travel expenses, as provided for in 2-18-501 through 2-18-503, incurred while in the performance of board duties. Members who are full-time salaried officers or employees of this state or of a political subdivision of this state are not entitled to be compensated for their service as members except when they perform their board duties outside their regular working hours or during time charged against their annual leave, but such members are entitled to be reimbursed for travel expenses as provided for in 2-18-501 through 2-18-503. Ex officio board members may not receive compensation but shall receive travel expenses.

(8) A majority of the membership constitutes a quorum to do business. A favorable vote of at least a majority of all members of a board is required to adopt any resolution, motion, or other decision, unless otherwise provided by law.

The most important elements of Montana's history and culture have been passed on through the generations by Montanans who pursue traditional occupations and create beauty in their everyday life.

(3) Montana's culture is a blend of native, ethnic, racial, occupational, and regional traditions that sometimes coexist and sometimes blend, including traditionally masculine and feminine domains that together create a many-faceted culture within the state.

(3) Each honoree shall receive:

(a) a certificate signed by the governor proclaiming the honoree to be a "Treasure State Living Cultural Treasure"; and

(b) an invitation to be included in the speakers' bureau.

(4) The speakers' bureau is a registry, maintained by the governor's office, of the treasure state living cultural treasures honorees and the skills and areas for which each honoree is recognized and can be called upon as a resource for the school-age population and all other residents of the state. The registry may include a fee schedule that delineates the speaker's fee, reimbursement for travel costs and per diem, and any other necessary expenses, if any, to be paid to the speaker by the organizations and schools that arrange for the speaker's services.

(5) The governor's office shall send on an annual basis a copy of the registry to the superintendent of public instruction, who shall send a copy to each school district of the state.

(6) The superintendent of public instruction shall inform and encourage the school districts to use the registry to choose speakers in various areas of Montana's common culture as resources in furthering the knowledge of the school-age population in the state on the unique western culture of Montana.

(7) The registry is to be made available for a reasonable charge to any person in the state upon request.

(8) The Indian tribal governments are invited to participate in the treasure state living cultural treasures program and to submit nominees to the governor as provided in subsection (2). The supervisory powers granted to the attorney general by this subsection include the power to order and direct county attorneys in all matters pertaining to the duties of their office. The county attorney shall, when ordered or directed by the attorney general, promptly institute and diligently prosecute in the proper court and in the name of the state of Montana any criminal or civil action or special proceeding.

(5) when required by the public service or directed by the governor, to assist the county attorney of any county in the discharge of his duties or to prosecute or defend appropriate cases in which the state or any officer of the state in his official capacity is a party or in which the state has an interest;

(6) to give his opinion in writing, without fee, to the legislature or either house of the legislature, to any state officer, board, or commission, to any county attorney, to the city attorney of any city or town, and to the board of county commissioners of any county of the state when required upon any question of law relating to their respective offices. He shall give any such opinion within 3 months following the date it is requested unless he certifies in writing to the requesting party that the question is of sufficient complexity to require additional time. If an opinion issued by the attorney general conflicts with an opinion issued by a city attorney, county attorney, or an attorney employed or retained by any state officer, board, commission, or department, the attorney general's opinion is controlling unless overruled by a state district court or the supreme court.

(7) to discharge the duties of a member of the board of examiners and state board of land commissioners;

(f) An employee's base salary may not exceed the maximum salary for the employee's grade. The salary of an employee may not be reduced because of this provision.

(g) The maximum salary for each grade is determined by subtracting the entry salary from the market salary and adding that amount to the market salary.

(h) An employee's market ratio, as it was on the last day of the pay period immediately preceding the pay period that includes October 1, 1996, may not be reduced as a result of the adjustment of the pay ranges provided in 2-18-312(2).

(2) The pay schedules provided in 2-18-312 and the provisions of subsection (1) of this section do not apply to those teachers, liquor store occupations, or blue-collar occupations compensated under the pay schedules provided in 2-18-313 through 2-18-315.

(3) The pay schedules provided in 2-18-313 through 2-18-315 must be implemented as follows:

(a) (i) The pay schedules provided for in 2-18-313 indicate the annual compensation for teachers employed under the authority of the department of corrections or the department of public health and human services for fiscal years 1996 and 1997.

(ii) The compensation of each teacher on July 1, 1995, is the same as it was on June 30, 1995.

(iii) On the first day of the first pay period that includes October 1 of each fiscal year, a teacher employed under the authority of the department of public health and human services prior to October 1, 1994, shall advance one step on the appropriate pay schedule adopted in 2-18-313. A teacher hired after October 1, 1994, shall advance on the teacher's actual anniversary date.

(iv) On the first day of the first full pay period during the month that includes the teacher's anniversary date, a teacher employed under the authority of the department of corrections shall advance one step on the appropriate pay schedule adopted in 2-18-313.

(v) On the first day of the first pay period that includes October 1 of each fiscal year, a teacher employed by the Montana school for the deaf and blind shall advance one step on the teacher pay matrix used by the school.

(b) (i) The pay schedules provided in 2-18-314 indicate the maximum hourly compensation for fiscal years ending June 30, 1996, and June 30, 1997, for those employees in liquor store occupations who have collectively bargained separate classification and pay plans.

(ii) The compensation of each employee on the first day of the first pay period in fiscal year 1996 or 1997 is that amount corresponding to the grade occupied on the last day of the preceding fiscal year.

(c) (i) The pay schedules provided in 2-18-315 indicate the maximum hourly compensation for fiscal years ending June 30, 1996, and June 30, 1997, for employees in apprentice trades and crafts and other blue-collar occupations recognized in the state blue-collar classification plan who are members of units that have collectively bargained separate classification and pay plans.

(ii) The compensation of each employee on the first day of the first pay period in fiscal year 1996 or 1997 is that amount corresponding to the grade occupied on the last day of the preceding fiscal year.

(4) (a) (i) A member of a bargaining unit may not receive a pay increase until the employer's collective bargaining representative receives written notice that the employee's bargaining unit has ratified a completely integrated collective bargaining agreement covering the biennium ending June 30, 1997.

(ii) If ratification of a completely integrated collective bargaining agreement, as required by subsection (4)(a)(i), is not completed by July 1, 1995, retroactivity to that date may be negotiated.

(iii) If ratification of a completely integrated collective bargaining agreement, as required by subsection (4)(a)(i), is not completed by July 1, 1995, members of the bargaining unit must continue to receive the compensation that they were receiving as of June 30, 1995, until an agreement is ratified.

(b) Methods of administration not inconsistent with the purpose of this part and necessary to properly implement the pay schedules and adjustments provided in 2-18-312 through 2-18-315 and this section may be provided for in collective bargaining agreements.

(5) The current wage or salary of an employee may not be reduced by the implementation of the pay schedules provided for in 2-18-312 through 2-18-315.

(6) The department may authorize a separate pay schedule for medical doctors if the rates provided in 2-18-312 are not sufficient to attract and retain fully licensed and qualified physicians at the state institutions.

(7) The department may develop programs that enable the department to mitigate problems associated with difficult recruitment, retention, transfer, or other exceptional circumstances. Insofar as the program may apply to employees within a collective bargaining unit, it is a negotiable subject under 39-31-305.

(8) The department shall review the competitiveness of the compensation provided to all occupations under this part. If the department finds that substantial problems exist with recruitment and retention because of inadequate salaries when compared to competing employers, the department may establish criteria allowing an adjustment in pay or classification to mitigate the

problems. Insofar as these adjustments may apply to employees within a collective bargaining unit, the implementation of these adjustments is a negotiable subject under 39-31-305.

Years of employment	Working days credit
1 day through 10 years	15
10 years through 15 years	18
15 years through 20 years	21

(i) 2,080 hours of service following his date of employment; an employee must be credited with 80 hours of service for each biweekly pay period in which he is in a pay status or on an authorized leave of absence without pay, regardless of the number of hours of service in the pay period; or

(ii) 12 calendar months in which he was in a pay status or on an authorized leave of absence without pay, regardless of the number of hours of service in any one month. An employee of a school district, a school at a state institution, or the university system must be credited with 1 year of service if he is employed for an entire academic year.

(b) State agencies, other than the university system and a school at a state institution, must use the method provided in subsection (2)(a)(i) to calculate years of service under this section.

(1) having been ordered on active duty with the armed forces of the United States;

(2) voluntary service on active duty in the armed forces or on ships operated by or for the United States government; or

2-18-616. Determination of vacation dates. 2-18-617. Accumulation of leave — cash for unused — transfer. (1) (a) Except as provided in subsection (1)(b), annual vacation leave may be accumulated to a total not to exceed two times the maximum number of days earned annually as of the end of the first pay period of the next calendar year. Excess vacation time is not forfeited if taken within 90 calendar days from the last day of the calendar year in which the excess was accrued.

(b) It is the responsibility of the head of an employing agency to provide reasonable opportunity for an employee to use rather than forfeit accumulated vacation leave. If an employee makes a reasonable written request to use excess vacation leave before the excess vacation leave must be forfeited under subsection (1)(a) and the employing agency denies the request, the excess vacation leave is not forfeited and the employing agency shall ensure that the employee may use the excess vacation leave before the end of the calendar year in which the leave would have been forfeited under subsection (1)(a).

(2) An employee who terminates employment for a reason not reflecting discredit on the employee is entitled upon the date of termination to cash compensation for unused vacation leave, assuming that the employee has worked the qualifying period set forth in 2-18-611.

(3) However, if an employee transfers between agencies of the same jurisdiction, cash compensation may not be paid for unused vacation leave. In a transfer, the receiving agency assumes the liability for the accrued vacation credits transferred with the employee.

2-18-618. Sick leave. (1) A permanent full-time employee earns sick leave credits from the first day of employment. For calculating sick leave credits, 2,080 hours (52 weeks x 40 hours) equals 1 year. Sick leave credits must be credited at the end of each pay period. Sick leave credits are earned at the rate of 12 working days for each year of service without restriction as to the number of working days that may be accumulated. Employees are not entitled to be paid sick leave until they have been continuously employed 90 days.

(2) An employee may not accrue sick leave credits while in a leave-without-pay status.

(3) Permanent part-time employees are entitled to prorated leave benefits if they have worked the qualifying period.

(4) Full-time temporary and seasonal employees are entitled to sick leave benefits provided they work the qualifying period.

(5) An employee who terminates employment with the agency is entitled to a lump-sum payment equal to one-fourth of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave must be computed on the basis of the employee's salary or wage at the time he terminates his employment with the state, county, or city. Accrual of sick leave credits for calculating the lump-sum payment provided for in this subsection begins July 1, 1971. The payment is the responsibility of the agency in which the sick leave accrues. However, an employee does not forfeit any sick leave rights or benefits he had accrued prior to July 1, 1971. However, when an employee transfers between agencies within the same jurisdiction, he is not entitled to a lump-sum payment. In a transfer between agencies, the receiving agency shall assume the liability for the accrued sick leave credits earned after July 1, 1971, and transferred with the employee.

(6) An employee who receives a lump-sum payment pursuant to this section and who is again employed by any agency may not be credited with any sick leave for which the employee has previously been compensated.

(7) Abuse of sick leave is cause for dismissal and forfeiture of the lump-sum payments provided for in this section.

(8) An employee may contribute any portion of his accumulated sick leave to a nonrefundable sick leave fund for state employees and becomes eligible to draw upon the fund if an extensive illness or accident exhausts his accumulated sick leave. The department of administration shall, in consultation with the state employee group benefits advisory council, provided for in 2-15-1016, administer the sick leave fund and adopt rules to implement this subsection.

(9) A local government may establish and administer through local rule a sick leave fund into which its employees may contribute a portion of their accumulated sick leave.

Juror fees shall be applied against the amount due the employee from his employer. 2-18-1106. *(Temporary)* **Agency head to grant award — amount and source of award.** (1) An agency head may grant an incentive award to an employee, a group or team of employees, or a nonemployee who has made a significant contribution to achievements or outcomes in the agency, as enumerated in 2-18-1105. An employee or a member of a group or team of employees need not be employed by the agency that benefits from the achievement or outcome and whose agency head grants the award in order to be granted an award.

(2) The incentive award for an achievement or outcome that does not result in cost savings that can be specifically determined a year after the achievement or outcome is implemented and the cost savings are actually incurred is the agency head's estimated dollar value of the achievement or outcome, up to a maximum of $500 per employee or nonemployee or, in the discretion of the agency head, not more than 40 hours of paid leave time for an employee. Larger awards may be proposed and submitted to the legislature for consideration.

(3) The amount of an award for an achievement or outcome producing cost savings that can be measured after the savings are actually incurred must be determined by the agency head but may not exceed:

(a) 10% of the first $100,000 of cost savings actually incurred during the 12 months following implementation of the suggestion; plus

(b) 5% of the next $100,000 of cost savings actually incurred during that 12-month period; plus

(c) 2% of the next $100,000 of cost savings actually incurred during that 12-month period.

(b) Each person must be paid in one lump sum no later than 90 days after the end of the 12-month period following implementation of the suggestion. However, an agency head may pay an award at any time that savings can be determined. The agency head shall pay the award from the agency's budget. This award is in addition to the recipient's regular compensation or leave time.

(5) The number of awards granted by an agency in a state government fiscal year may not exceed the number equal to 20% of the average number of full-time equivalent employees in that agency during that fiscal year. The office of budget and program planning may grant an agency with less that 50 full-time equivalent employees an exemption from this limitation, but the exemption may not allow more awards than the number equal to 50% of the average number of full-time equivalent employees in the agency during the fiscal year.

(6) Within 30 days after the end of each fiscal year, each agency shall submit to the department a list of the number of incentive awards granted, to whom each award was granted, the estimated value of each achievement or

outcome, and the amount of each award. *(Terminates July 1, 1997—sec. 13, Ch. 23, Sp. L. November 1993.)*

2-18-1106. *(Effective July 1, 1997)* **Agency head to grant award — amount and source of award.** (1) After an agency implements an employee's suggestion or invention and the monetary savings to the state is estimated, an agency head, upon written application to and approval from the department and the incentive awards advisory council, may grant an incentive award to an employee whose proposal meets the requirements enumerated in 2-18-1105.

(2) The incentive award shall be 10% of the savings resulting from implementing the employee's proposal for 1 year up to a maximum of $3,000. Larger awards may be proposed and submitted to the legislature for consideration.

(3) The agency head shall pay the employee from the agency's budget in a single, lump-sum award. This award is in addition to the recipient's regular compensation.

2-18-1107. *(Temporary)* **Salary increase based on elimination of position.** An agency head, as defined in 2-18-1101, may, with the approval of the approving authority, as defined in 17-7-102, increase the salary for one or more positions in the agency by the amount of the salary for a position that was permanently eliminated by the agency within the last 30 days. However, an increased salary may not exceed the market salary for that position determined under Title 2, chapter 18, part 3. If an eliminated position's salary is redistributed under this section, the agency may not be given an increased appropriation in regard to the eliminated position under 2-15-112(2)(e). An increase for an employee who is in a collective bargaining unit is a negotiable subject under 39-31-305. *(Terminates July 1, 1997—sec. 13, Ch. 23, Sp. L. November 1993.)*

(2) The holder of a deed sold through the provisions of this part is entitled to "general enjoyment of the riches of the treasure state" in return for purchase of the deed, which indicates an "investment in the last of what is best" in America. Such a deed for 1 square inch of land does not confer title to the land described in the deed.

(3) The centennial acre must be managed by the department. Until June 30, 1991, such management must be in consultation with the office. The department may adopt such regulations for the use of the land as it considers necessary for the protection of the land, public use of the land, and enjoyment by the deed holders. Such regulations may include the right to restrict access to the land if such access hinders or infringes on the department's management.

(4) Any mineral, oil and gas, or other valuable interest, and all income, fees, or royalty proceeds of the land remain the property of the state of Montana. Such income, if any, must be deposited to the account of the Montana statehood centennial office as set forth in section 7, Chapter 664, Laws of 1985, and after the termination of the office, it must be deposited to the account of the public school fund as provided for in 20-9-601.

(5) No dwellings, structures, or any physical thing may be erected on the land by any deed holder except in conformance with general regulations adopted by the department.

(6) The regulations adopted under this section must be posted at the centennial acre and are not subject to the provisions of Title 2, chapter 4.

History: En. Sec. 5, Ch. 489, L. 1985; amd. Sec. 3, Ch. 602, L. 1987.

2-89-208. Contents of deeds. In addition to any other matter printed on the deeds of square inches of land, they shall have printed on them the following: "Title to the land described in this deed is subject to the provisions of Title 2, chapter 89, part 2, Montana Code Annotated. Such title is limited by the right of the state of Montana to manage the land for the benefit of the general public and the deed holders' enjoyment of the land. Ownership as evidenced by this deed does not entitle the holder to any right of use of the land different than that of the general public, nor does it obligate the holder to pay property taxes, assessments, or any other fees or levies commonly incident to title."

History: En. Sec. 6, Ch. 489, L. 1985.

2-89-209. Exclusion of laws relating to land and land transfers. (1) This part provides the sole method of selling deeds to square inches of land owned by the state for the funding of Montana's statehood centennial. The sale of deeds to square inches of the centennial acre are not subject to Title 76, chapters 3 and 4, but if the department constructs sanitary facilities on the site, it must comply with the requirements of Title 76, chapter 4. No other provision of law relating to recordation or filing of land transfers, surveying, subdividing land, zoning, or planning restrictions or master plans applies to the sale or ownership of deeds under this part.

(2) The deed holders of square inches of land under this part do not hold title to the centennial acre or any part thereof for any purpose under the laws of the state of Montana. Such deed holders are not subject to taxes, fees, or assessments on their ownership interest and are not to be considered owners for the purposes of notification for the administration of units of local government or certain districts, including school districts.

(3) The state of Montana holds title to the land in trust for the public, and as such the land is to be considered as a parcel of state-owned land in all things necessary for the administration of units of local government and all districts, including school districts, in which it may be located.

(iii) by other details not distracting from legibility or recognition of the license plate.

(3) (a) The proceeds from the sale of commemorative license plates must be deposited in the general fund.

(b) A county shall assess an additional fee of $3 for each set of commemorative centennial license plates issued in the county to defray the costs incurred by the county treasurer. The county treasurer shall collect the fee and deposit the money in the county general fund.

(c) The issuance of commemorative license plates must be made at no direct cost to the state.

(4) Commemorative license plates that are valid for licensing a motor vehicle must carry the assigned county number, as established in 61-3-332, either within the registration numbers or by means of an affixed nonremovable sticker bearing the appropriate county designation and used in accordance with instructions by the department. *(Terminates July 1, 1996—sec. 4, Ch. 654, L. 1989.)*

(c) whether commemorative centennial license plates, if issued under 2-89-302, may be issued as personalized plates under the provisions of Title 61, chapter 3, part 4; and

(d) other procedures necessary for the proper administration of this part.

(2) (a) The Montana statehood centennial office may request classes and variations of commemorative license plates, and each type or variation may be issued for a different price.

(b) For the issuance of commemorative license plates, the office shall contract with and provide for payment to the department for the production of such license plates. The contract must establish prices to be paid by the ultimate purchaser for the issuance of commemorative centennial license plates. The department of justice may not, however, sell any commemorative license plates for less than $19.89, not including the county administrative fee authorized in 2-89-302(3). *(Terminates July 1, 1996—sec. 4, Ch. 654, L. 1989.)*

DISQUALIFICATION OF JUDGES

This section shall, in its application, apply to all courts listed in section 3-1-101 except a court of impeachment in the state senate.

Any justice, judge, justice of the peace, municipal court judge or city court judge must not sit or act in any action or proceeding:

1. To which he is a party, or in which he is interested.
2. When he is related to either party or any attorney or member of a firm of attorneys of record for a party by consanguinity or affinity within the fourth degree, computed according to the rules of law;
3. When he has been attorney or counsel in the action or proceeding for any party or when sitting in a case on appeal he as a judge in the lower court rendered or made the judgment, order, or decision appealed from.

History: En. Sup. Ct. Ord. dated June 17, 1987; amd. July 29, 1987; amd. Sup. Ct. Ord. Sept. 13, 1988, eff. Sept. 13, 1988.

3-1-804. Substitution of district judges.

SUBSTITUTION OF DISTRICT JUDGES

This section is limited in its application to district courts and judges presiding therein; it does not include district court judges or other judges sitting as a water court judge, nor a Workers' Compensation Court judge.

1. A motion for substitution of a district judge may be made by any party to a proceeding only in the manner set forth herein. In a civil or criminal case, each adverse party, including the state, is entitled to one substitution of a district judge.

(a) A motion for substitution of a district judge shall be made by filing a written motion with the clerk, as follows:

"The undersigned hereby moves for substitution of District Judge _______ in this case."

A copy of the motion shall be served upon all parties to the proceeding and the clerk shall immediately notify the judge and the first judge in jurisdiction, if there has already been a substitution. After a timely motion has been filed, the substituted judge shall have no power to act on the merits of the cause or to decide legal issues therein, and shall call in another judge. However, a resident district judge who has previously been substituted from the case may agree to set the calendar, draw a jury, conduct all routine matters including arraignments, preliminary pretrial conferences in civil cases, and other matters which do not go to the merits of the case, if the judge in jurisdiction authorizes the same.

(b) The first district judge who has been substituted or disqualified for cause shall have the duty of calling in all subsequent district judges. In a multi-judge court all other judges in that court shall be called, in accordance with that court's internal operating rules, before a judge from another district court is called in. It shall be the duty of the clerk of court to stamp the name of the judge to whom the case is assigned on the face of the initial pleading, complaint, order to show cause, or information, and all copies thereof.

(c) When a judge is assigned to a cause for 30 consecutive days after service of a summons, or 10 consecutive days after service of an order to show cause, information or other initiating document, and no motion for substitution of judge has been filed within said time period, the plaintiff or the party filing the order, information or other initiating document, and the party upon whom service has been made shall no longer have a right of substitution. Any party named in a summons who is subsequently served shall have 30 consecutive days after such service in which to move for a substitution of judge. Any person subsequently served in connection with an order to show cause, information or other initiating document, shall have 10 consecutive days after such service in which to move for a substitution of judge. If the presiding judge removes himself or herself, or a new judge assumes jurisdiction of the cause by virtue of the internal operating rules of a multi-judge court, the right to move for substitution of a judge is reinstated, unless having been previously used in the cause by the moving party, and the time periods shall run anew. After the time period shall have run as to the original parties to the proceeding, no party who is joined or intervenes thereafter shall have any right of substitution, except that one third party defendant who is not an original party in any pending case may have a right of one substitution within 30 consecutive days after the service upon the third party defendant of a third party complaint.

(d) The motion for substitution shall not be effective for any purpose unless a filing fee is paid to the clerk of the district court in the amount set by law. No filing fee is required by law in criminal cases.

(e) Any motion for substitution which is not timely filed is void for all purposes. The judge for whom substitution is sought shall have jurisdiction to determine timeliness, and if the motion for substitution is untimely, shall make an order declaring the motion void.

(f) When a new judge has accepted jurisdiction, the clerk of court shall mail a copy of the assumption of jurisdiction to the original judge and to each attorney or party of record. The certificate of service shall be attached to the assumption of jurisdiction form in the court file.

(g) When a new trial is ordered by the district court, each adverse party shall thereupon be entitled to one motion for substitution of judge in the manner provided herein. When on appeal the judgment or order appealed from is reversed or modified and the cause is remanded to the district court for a new trial, or when a summary judgment or judgment of dismissal is reversed and the cause remanded, each adverse party shall thereupon be entitled to one motion for substitution of judge in the manner provided herein. Such motion must be filed, with the required filing fee in civil cases, within twenty (20) days after a new trial has been ordered by the district court or after the remittitur from the Supreme Court has been filed with the district court. No other right of further substitution shall arise in cases remanded by the supreme court. In criminal cases, no further right of substitution shall arise when the cause is remanded for resentencing.

Amendment effective February 1, 1995.

3-1-805. Disqualification for cause.

DISQUALIFICATION FOR CAUSE

This section is limited in its application to judges presiding in district courts, justice of the peace courts, municipal courts, small claims courts, and city courts.

1. Whenever a party to any proceeding in any court shall file an affidavit alleging facts showing personal bias or prejudice of the presiding judge, such judge shall proceed no further in the cause. If the affidavit is filed against a district judge, the matter shall be referred to the Montana Supreme Court, whereupon the Chief Justice shall assign a district judge to hear the matter. If the affidavit is filed against a judge of a municipal court, justice court, or city

court, any district judge presiding in the district of the court involved may appoint either a justice of the peace, a municipal judge or a city court judge, to hear any such proceeding.

(a) The affidavit for disqualification must be filed more than thirty (30) days before the date set for hearing or trial.

(b) The affidavit shall be accompanied by a certificate of counsel of record that the affidavit has been made in good faith. An affidavit will be deemed not to have been made in good faith if it is based solely on rulings in the case made by the challenged judge and from which an appeal could have been taken.

(c) Any affidavit which is not in proper form and which does not allege facts showing personal bias or prejudice may be set aside as void.

(d) The judge appointed to preside at a disqualification proceeding may assess attorneys fees, costs and damages against any party or his attorney who files such disqualification without reasonable cause and thereby hinders, delays or takes unconscionable advantage of any other party, or the court.

Terms and Location of District Courts

3-5-401. Terms of court. (1) The district court of each county which is a judicial district by itself has no terms and must always be open for the transaction of business, except on legal holidays and nonjudicial days.

(2) (a) In each district where two or more counties are united, the judge thereof must fix the term of court in each county in his district and there must be at least four terms a year in each county. Any order of the judge of such district fixing terms of court shall be filed in the office of the clerk of the district court in each county of his district and shall remain in effect until further order of the judge.

(b) Nothing in this section shall be construed to prevent the calling of a special term of court, with or without a jury, when in the opinion of the presiding judge the same is necessary.

(c) The district judge may adjourn a term of district court in one county to a future day certain and in the meantime hold court in another county.

(2) In districts where two or more counties are united, court may be held, causes tried with or without a jury, and business transacted in any and all of the counties of the district continuously and simultaneously, with or without recesses, and without regard to the beginning or ending of any of the terms in any of the counties of the district.

(3) The judge of such district may hold court in one county of such district, try causes with or without a jury, and transact business, while at the same time court may be held, causes tried with or without a jury, and business transacted in any other county of such district by the same judge or by any other district judge of the state, when requested or assigned thereto under any of the provisions of the statutes of Montana.

Each department must be numbered, and each judge must be assigned to one of the numbered departments.

(3) The judges shall apportion the business of the court among themselves as equally as possible. In case of their failure for any cause to make the apportionment or to assign each judge to a numbered department, the supreme court, upon application of any interested person, shall make an order apportioning the business and assigning each judge to a numbered department and cause the order to be entered upon the minute book of the district court in each county in the district. The order remains in full force and effect until modified or repealed by the authority making it. The failure or refusal of any district judge to carry out the terms of the order constitutes a contempt of the supreme court.

(2) If a county uses a jury box for selection of jurors, the jury commissioner shall prepare and keep a jury box and contents as prescribed in this subsection. The number of each juror shall be written, typed, or stamped on a slip of paper or other suitable material, identical in all respects to the slips used for the other numbers. The box shall contain only one slip for each number corresponding to the number before the name of each juror on the jury list.

(1) At least once each year in each county, when a civil or criminal case has been at issue and ready for trial for more than 6 months and the plaintiff or defendant in such case has requested a jury trial, or whenever the business of a district court requires the attendance of a trial jury for the trial of civil or criminal cases and no jury is in attendance, the court must make an order directing a trial jury to be drawn and summoned to attend before said court. Such order must specify the number of jurors to be drawn. The time at which the jurors are required to attend must be at the discretion of the court.

(2) The court may direct that such causes, either criminal or civil, in which a jury may be required or in which a jury may have been demanded be continued and fixed for trial when a jury shall be in attendance.

(3) A district court may draw more than one trial jury in a given year if, in the opinion of the judge or judges thereof, the service of the trial jury in attendance has been unduly demanding, and in such case the trial jury in attendance may be excused by the court from further jury duty in that year.

(4) The judge or judges of a district or the judge of a department may designate that jury service in his or their district or department is on a "one-day or one-trial" basis; that is, each individual juror is excused for the rest of the year after having attended for 1 day and not having been selected to serve at the trial of a particular cause or after having completed service at such a trial.

(5) If the number of unexcused jurors is not sufficient to meet current requirements at any time, jurors excused under subsection (3) or (4) may be required to serve.

The box must be revolved a sufficient number of times to ensure that the numbered slips in it become thoroughly mixed. Thereafter the jury commissioner shall draw from the box, one at a time, as many of the numbered slips as are ordered by the court.

(b) If the drawing of jurors is conducted by means of a computerized data base, it must be conducted by use of a computerized random selection process that the judges of the district court of the county have approved in writing as satisfactorily fulfilling the requirements for the drawing of trial juries. A copy of the latest jury list and a description of the approved computerized random selection process must be kept in the office of the clerk of court and be available for public inspection during normal business hours.

(2) A record of the drawing shall be entered in the minutes of the court. It must show the names of the jurors corresponding to the numbers drawn from the jury box or the names drawn by means of the computerized random selection process.

(3) If the jury commissioner is satisfied that any person whose name is drawn is deceased or mentally incompetent or has permanently moved from the county, the name of the person shall be omitted from the list and another name shall be drawn in its place. The reason for the omission shall be entered upon the minutes of the court. The same procedure shall be followed as often as may be necessary, until the number of names of jurors required has been drawn.

(2) Whenever boards of county commissioners sit as one appointing board, selection of an individual to fill the vacancy must be as follows:

(a) The chairman of the board of county commissioners of the county in which the person resided whose vacancy is to be filled shall call a meeting for the purpose of appointing the member of the legislature, and he shall act as the presiding officer of the meeting.

(b) Each commissioner's vote is determined by the following formula: 100 multiplied by (A divided by B) multiplied by (1 divided by C), where A is the total votes cast in the respective county for the person vacating the legislative seat or, if such person was not himself elected, the votes cast for the last person to be elected for the current term, B is the total votes cast for that person in the legislative district, and C is the number of authorized commissioners on the board of the commissioner whose vote is being determined. If a vacancy occurs in a holdover senate seat after holdover senators have been assigned to new districts under each reapportionment, the formula must be applied using the votes cast for the senatorial candidates at the last election in which such votes were cast. Such votes shall include only those cast by electors residing in the new senate district for senate candidates of the party to which the person vacating the seat belonged. The secretary of state shall provide an estimate of the number of votes so cast, by county or portion thereof.

(c) The person selected to fill the vacancy is the one who receives the highest number above 50 that results from the calculation required by this subsection (2). If no candidate receives a number higher than 50 from that calculation, the selection board shall cast its votes again in the same manner for the persons receiving the two highest numbers.

(3) The appointment of a legislator under this section must take place within 15 days after the vacancy occurs.

5-4-306. Return when legislature not in session. (1) If, on the day the governor desires to return a bill without his approval and with his objections to the bill to the house in which it originated, that house has adjourned for the day (but not for the session), he may deliver the bill with his message to the presiding officer, secretary, clerk, or any member of such house. (2) If the legislature is not in session when the governor vetoes a bill, he shall return the bill with his reasons for the veto to the secretary of state. If the bill was not approved by two-thirds of the members voting on the final vote on the bill, the secretary of state shall within 5 working days of receipt of the bill and veto message mail a copy of the title of the bill and the veto message to each member of the legislature. If the bill was approved by two-thirds of the members voting on the final vote on the bill, the secretary of state shall poll the members of the legislature. The secretary of state shall within 5 working days of receipt of the bill and veto message send by certified mail to each legislator, at an address provided by the legislator, a copy of the bill and the veto message, instructions for casting a vote, and notice of the date by which each legislator shall return his vote. The date for return must be within 30 days after the date on which the bill, veto message, and voting instructions are sent. A legislator may cast and return a vote by delivering it in person, mailing it, or sending a facsimile transmission of it to the office of the secretary of state. The secretary of state shall tally the votes within 1 working day after the date for return of the votes. If two-thirds or more of the members of each house vote to override the veto, the bill shall become law.

(3) The legislature may reconvene to reconsider any bill vetoed by the governor when the legislature is not in session by using the statutory procedure provided for convening in special session.
